CONTRACT DATA REQUIREMENTS LIST
(1 Data Item)

Form Approved
OMB No. 0704-0188

Public reporting burden for this collection of information is estimated to average 100 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Department of Defense, Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302, and to the Office of Management and Budget, Paperwork Reduction Project (0704-0188), Washington, D.C. 20503. Please DO NOT RETURN your form to either of these addresses. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS

Block 9: Distribution Statement D. Distribution authorized to the Department of Defense and U.S. DoD Contractors only for Administrative and Operational Use determined May 2025. Other requests for this document shall be referred to Commander, Naval Air Systems Command, PMA272, 6206 Aviation Avenue, Jacksonville, FL 32221-8112.
WARNING - This document contains technical data whose export is restricted by the Arms Export Control Act (Title 22, U.S.C., Sec. 2751, et seq) or the Export Administration Act of 1979 (Title 50, U.S.C., App. 2401 et seq), as amended. Violations of these export laws are subject to severe criminal penalties. Disseminate in accordance with provisions of DoD Directive 5230.25.
Destruction Notice: Destroy by any method that will prevent disclosure of contents or reconstruction of the document.

Block 12, 13: The Contractor shall submit a completed AIE package no later than 30 calendar days after contract award. The AIE shall be approved prior to First Article Testing (FAT)(if FAT is req'd), production, and/or all acceptance of product under the contract. The PCO will provide disposition within 15 calendar days of final AIE package receipt. If further revisions are necessary, the Contractor shall have 7 calendar days to revise/resubmit. The approved AIE shall be available for FAT (if req'd), production and/or all acceptance of product under the contract. If a Contractor revises a previously Government accepted AIE for this contract, the revised AIE shall be submitted to the Government for review and approval. Approval shall be granted before AIE is used for Acceptance of Product. The Government will respond within 30 calendar days. The Contractor shall notify the responsible Government technical personnel a minimum of 30 calendar days prior to acceptance (prove-out) testing for AAIE.

A MSE Review Guide is available to assist Contractors on the ARDEC Public Website at: http://www.ardec.army.mil/organizations/QESA/ in the application of the MSE Requirement. The MSE Review Guide's content, in its entirety, is provided solely for reference and guidance purposes ONLY. It is not, nor is it intended to be, contractually binding. Accordingly, the information contained within the MSE Review Guide is expressly not, nor shall it be construed to be, incorporated either directly or by reference into the terms of the MSE Requirement itself nor into the terms and conditions of any underlying contract which contains the MSE Requirement.

CUI markings in classified documents will appear in paragraphs or sub-paragraphs known to contain only CUI and must be portion marked with "CUI." "CUI" will not appear in the banner or footer. All unclassified deliverables shall be delivered via DoD Safe to PMA-272Data@us.navy.mil. In DoD Safe, include the following in the "Short Note to the Recipients": Program/System Name, Contract #/Order #, CDRL #(s).
