DEFENSE LOGISTICS AGENCY

DLA LAND AND MARITIME
POST OFFICE BOX 3990
COLUMBUS, OH 43218-3990

Market Research Questionnaire
Project CL26068289

DLA Land and Maritime is considering a solicitation and subsequent award of an Indefinite Quantity Contract (IQC)* for **National Stock Number 2930-01-168-7911**. As a potential supplier of this item, we are asking that you fill out this market survey to the best of your knowledge so that we can generate a realistic and beneficial solicitation. Your answers to these questions will aid in our ability to develop a solicitation that best meets the needs of the Warfighter while also optimizing the benefits of having a long term contract for both the Government and the Contractor.

Company Name: **CAGE Code:**

I. GENERAL INTEREST QUESTIONS:

1. Please check your company's size and status:
   - **a.** ☐ Large or ☐ Small Business
   - **b.** ☐ Manufacturer or ☐ Dealer/Distributor/Reseller
   - **c.** Do you deal through Dealers/Distributors, or do you prefer to deal with the Government?
     ☐ Dealer or ☐ Government
   - **d.** If you are a small business, how are you currently classified by the Small Business Administration (SBA)
     - **i.** 8(a) Program ☐
     - **ii.** Small Disadvantaged Business (SDB) ☐
     - **iii.** Woman Owned Small Business (WOSB) ☐
     - **iv.** Economically Disadvantaged Women-Owned Small Business (EDWOSB) ☐
     - **v.** Veteran Owned Small Business (VOSB) ☐
     - **vi.** Service Disabled Veteran Owned Small Business (SDVOSB) ☐
     - **vii.** HUBZone Small Business ☐
2. Approximately how many employees do you currently have? ______
3. Do you have a parent company? ☐ YES ☐ NO
4. If **YES** to **#3** above approximately how many employees does your parent company have? ______
5. If you are a Dealer/Distributor, are you independent from the OEMs?

   ☐ YES (Example: if you have reliable access to the OEMs products and can set your own price)

   If **YES:** Based on sources in table above, list the OEMs that you are independent from:

   ____

   ____

   ☐ NO (Example: the OEM has strict control over the resale prices the dealers can charge)

   ☐ Check here if you would prefer to discuss this via telephone call
6. If you are a dealer for the actual manufacturer of these items, who is the manufacturer and approximately how many employees does the manufacturer have?

   ____

   ____

7. Is your company interested in pursuing a Long-Term Contract for these items? ☐ YES ☐ NO
8. If **NO** to **#7** above, please explain why below:

____

____

Your answers to questions 9-15 will be used to determine the optimum contract length (i.e. Base plus X option years). There will normally be a "BASE Year", which is the first actual year of the contract, and then the Government will have the option to accept other years, which are called "Option Years." **For Example:** "1st option year" (or 2nd actual year of contract), "2nd option year" (3rd actual year of contract, etc.)

9. Will your company be willing to accept a three-year base period: ☐ YES ☐ NO
10. If **No** to **#9** above, please explain why below:

____

____

11. If the Base Period is more than one year, would you be able to hold pricing steady for the entire period or would you require an annual price adjustment:

    ☐ YES - I can hold my prices for the Base Period

    ☐ NO - I would require an annual price adjustment
12. How many option years would you be ***able*** to accept: 0 ☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐
13. How many option years would be ***optimal***: 0 ☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐
14. If **NONE** to **#12** or **#13** above, please explain why below:

____

____

15. What components/raw materials are the primary drivers in the pricing of these items (i.e. steel, rubber, oil, plastics, etc.)

Component	Percentage of the make-up of the item
Example: Rubber	50%

16. What is the industry standard for contract terms for long term agreements/contracts for these items and/or the raw materials? ____
17. Do you carry this item in your inventory? ☐ YES ☐ NO
18. Are these items quantity sensitive? ☐ YES ☐ NO
19. Do these items contain hazardous material? ☐ YES ☐ NO
20. What quantity ranges would result in better pricing of the items you are able to supply? (We will consider your recommendations if they are within our demand forecast).

    Qty Range 1: _________________

    Qty Range 2: _________________

    Qty Range 3: _________________

    Qty Range 4: _________________

II. COMMERCIAL QUESTIONS:

1. Is this item Commercial Items per FAR 2.101(b)? ☐ YES ☐ NO

NOTE: If you state the item is commercial, then please send with survey "Un-Redacted Commercial Invoices" for the items

2. If **YES** to **#1** above are these items Catalog/Price Listed? ☐ YES ☐ NO
3. If **YES** to **#2** above, can you supply us with a copy of your Price List? ☐ YES ☐ NO
4. If **NO** to **#1** above are these items modified items of a type available in the commercial marketplace (Meaning these items do not have to be identical, but are closely related)? ☐ YES ☐ NO
5. If **NO** to **#4** above do these items have minor modifications of a type not customarily available in the commercial marketplace (Example: minor modifications means the item needs to retain a predominance of non-governmental functions or essential physical characteristics)? ☐ YES ☐ NO
6. If **NO** to **#1** above - if these items are not currently in the commercial marketplace, will these items be available in the commercial marketplace in time to satisfy the government's delivery requirements on this project? ☐ YES ☐ NO
7. If **YES** to **#1** above can you provide commercial sales history, listing in catalogs or brochures, known established price list to commercial marketplace, availability or announcement to the general public?

   ☐ YES ☐ NO
8. The Government, and the Government only, must determine not only if an item is commercial but also if the commercial prices are Fair and Reasonable. This is usually accomplished through proof that commercial market forces have driven the setting of the commercial price. Such proof would describe the commercial market acceptance of the price or, more plainly, invoices proving that the item has been sold commercially at like prices, for like quantities. Is your company willing and able to provide such proof, if the government determines it is needed to verify price reasonableness?

   ☐ YES ☐ NO

III. Free On Board (FOB) POINT QUESTIONS:

1. Do you prefer FOB Origin or FOB Destination? ☐ Origin ☐ Destination
2. Does your price typically include FOB Destination? ☐ YES ☐ NO
3. Would FOB Destination impact the price compared to FOB Origin? ☐ YES ☐ NO
4. If **YES** to **#3** above what is the impact on price (Example: Estimated percentage of increase in price)?

   ____

   ____
5. If **NO** to **#3** above does this mean the price for FOB Destination and FOB Origin would be the same?

   ☐ YES ☐ NO
6. Is Inspection/Acceptance at Origin acceptable? ☐ YES ☐ NO

   Note: For Stock Buys, source inspection would be mandatory if FOB Origin is utilized. Would the cost of source inspection impact pricing more than shipping? ☐ YES ☐ NO
7. Is FOB Origin acceptable? ☐ YES ☐ NO
8. If **NO** to **#7** above, why would you not want to use FOB Origin?_

   ____

   ____

IV. ZONE QUESTIONS:

1. If this solicitation is FOB Destination, would the government incur savings if unit prices were based on various shipping destinations (zones) within the U.S.? ☐ YES ☐ NO
2. Do you think these NSNs would significantly impact Shipping Prices (Example: size or weight of NSNs)? ☐ YES ☐ NO
3. If **YES** to **#2** above please list what the impact would be (Example: percentage of increase in price):

   ____

   ____

4. Would you typically provide the same price for anywhere in the U.S.? ☐ YES ☐ NO
5. If **YES** to **#4** above does the location, make a significant difference in Price? ☐ YES ☐ NO
6. What is the difference in price (estimated percentage of increase)?

   ____

   ____

7. Would you prefer to provide pricing for one or multiple zones (Please choose one): ☐ One Zone or ☐ Multiple Zones

V. DELIVERY QUESTIONS:

1. Are there production limitations for the items of which we are requesting information? ☐ YES ☐ NO If **YES**, please annotate on the attached spreadsheet.
2. Would a minimum delivery order quantity and/or dollar value apply to these NSNs? ☐ YES ☐ NO If **YES**, please annotate on the attached spreadsheet.
3. What is your estimated delivery for each of these items? (Please annotate on the attached spreadsheet).

VI. COST OR PRICING DATA:

The following pertain to the requirement for certified Cost or Pricing Data. *For contracts estimated over $2,000,000*, certified Cost or Pricing Data "**may**" be required. Contractors are greatly encouraged to view the sample format found at http://www.dcaa.mil to understand the in depth information required for submission.

1. Do you fully understand the requirements for Certified Cost or Pricing Data or Information Other Than Cost or Pricing Data and are willing and able to provide such requirements? ☐ YES ☐ NO
2. Have you provided Certified Cost or Pricing Data to DLA in the past? ☐ YES ☐ NO
3. If **YES** to **#2** above, please provide the most recent contract number or audit number for which you submitted this information: **Contract Number and/or Audit Number:** ________________________
4. If you are a Dealer, you will be required to obtain Cost or Pricing Data from the actual manufacturer. Will you be able to provide the required Cost or Pricing Data from the manufacturer? ☐ YES ☐ NO

VII. OTHER MISCELLANOUS QUESTIONS:

1. Can you provide STD-COM PKG with MIL-STD-129 Markings? ☐ YES ☐ NO
2. Do you have any other NSNs, ideas, or comments for additional "family" groupings? ☐ YES ☐ NO
3. If **YES** to **#2** above, please explain why:

   ____

   ____

4. Do you have EDI capability? ☐ YES ☐ NO
5. Would you prefer to have the pricing to be Firm Fixed Price for base year and all subsequent years?
   ☐ YES ☐ NO

   OR

6. Would you prefer to have the base years pricing adjusted based on the Producer Price Index (PPI) EPA?
   ☐ YES ☐ NO
7. If **YES** to **#6** above, do you have a recommended index that is applicable to these items. If so, please provide the index and please provide an explanation as to why you feel it's a good fit.

   ____
   ____
   ____
   ____

8. Depending on the technical requirements of the item, Government First Article Testing (FAT), Contract FAT, or Production Lot Testing may be required. If required, is your company willing to submit to the specific testing for this project? ☐ YES ☐ NO

VII. FINAL COMMENTS: It is always the Defense Logistics Agency's intent to produce Contracts that are advantageous to both the Warfighter and the Contractor. This is best achieved through open lines of communication and informative feedback. Please provide any additional information that you feel may be of assistance in building our Acquisition Strategy and possible Solicitation development.
