

Number	Question	Answer	Responsibility
1	We would like to know if this is a brand new contract OR if there is (was) an incumbent performing these services. If not brand new, could you please provide the current / previous contract number?	This is a new requirement.	Contracting
2	The specifications indicate that the “Dual Polarimetric X-Band Doppler Weather Radar System shall be operated and maintained using existing supplies, software, and systems currently owned by the USNA Department of Ocean and Atmospheric Sciences”. Question: Can you tell us what existing supplies, software, and materials this refers too?	The OAS Department and USNA will supply storage space for all computing elements and electronics, electricity and power to the system, and make sure that the system software is compatible with USNA IT specifications.	Customer
3	Is it possible to visit the site where the radar will be installed? How do we coordinate this?	Yes, a site visit shall be held on 20 February 2026. Please refer to section 52.237-1 in the combined synopsis-solicitation for information regarding a site visit.	Contracting
4	We request a one-week extension for the due date	The due date has been extended to 27 February 2026.	Contracting
