DESCRIPTION

THIS IS A SOURCES SOUGHT NOTICE

This posted notice is not a Pre-Solicitation or Solicitation document. The government is not currently soliciting bids, quotes or proposals at this time; however, reserves the right to do so at a later date.

This notice serves to survey the market to ascertain whether-or-not sources are capable of providing the requested supplies within the United States and/or on a scheduled contract.

The VA Northern California Health Care System (VANCHCS), Mather, CA, is seeking to identify potential sources capable of providing **Brand Name or Equal: GlideScope Core 15 System Accessories & GlideScope Go 2 Video Laryngoscopy Systems**. These devices support airway visualization for anesthesia and emergency airway management operations.

***= Required Field**

FINAL NOTES: The Government shall not be responsible for or liable for any costs incurred by any party in the preparation and submission of any response to this Sources Sought Notice.

Issuance of this notice does not constitute any obligation whatsoever on the part of the Government to procure these supplies and/or services, or to issue a solicitation, nor to notify respondents of the results of this notice. No solicitation documents exist at this time; however, in the event the acquisition strategy demonstrates that GSA is a viable option for procuring a solution, the RFQ shall be posted to GSA eBuy where only those firms who currently hold a GSA Schedule with the applicable SIN will be able to respond. The Department of Veterans Affairs is seeking neither quotes nor accepting unsolicited quotes, and responses to this notice cannot be accepted as offers. Any information the vendor considers proprietary should be clearly marked as such. The U.S. Government will not pay for any information or administrative costs incurred in response to this Sources Sought notice
