Questions and Answers RFP 19SA4026R0006 – DIA Circuits

Q#	Question(s)	Government Response
1	As per RFQ, this is single link request, whereas fault tolerance at Last Mile level or redundancy is not in ISP control, if you need redundancy then we can provide two links active and passive?	As stated in the RFP Section 1; scope of work, The Government is looking for the single active link as per the RFP.
2	If it is only single link required then SLA can be offered 99.5%, with <60ms latency till ISP DC and <=1% packet drops	The Government will be Accepting the provided SLA.
3	The required connection should be Fiber or if no Fiber coverage available other than STC then this backup DIA can be provided over any other media?	As per the SOW, The Government will be accepting DSP Fiber Only connection.
4	For DBA insurance requirement, we can offer company medical insurance and GOSI which fulfill almost all features of DBA insurance, Please confirm if its acceptable. Otherwise shall we add DBA Price in MRC because specific Column available for DBA.	DBA insurance is separate from GOSI and medical, please refer to below in section 3. The Offeror shall include Defense Base Act (DBA) insurance premium costs covering employees. The offeror may obtain DBA insurance directly from any Department of Labor approved providers at the DOL website at http://www.dol.gov/owcp/dlhwc/lscarrier.htm]
5	On Page number 6 & 9, under general terms, The circuit can be upgraded any time through out the contract but the bandwidth cannot be downgraded at least before completion of 1 year after the last upgrade. This is as per strict DSP policy.	Page number reference in the question is incorrect.
6	Do you allow new DSP to excavate and make new Fiber Infrastructure which may include civil work and permissions. And arrange permissions accordingly, please confirm	The Government does not encourage the new installation of Fiber infrastructure, as we already have STC, SALAM and Zain cabinets in our communication room.
7	Managed Router Service is required or no?	The Government will require Managed Router Services.
8	Is there any specific configuration is required on Cisco Router	As per the SOW, The Government will require HSRP configured.

Questions and Answers RFP 19SA4026R0006 – DIA Circuits

Q#	Question(s)	Government Response
9	As per RFP, no clause found that US Consulate can terminate the contract any time during contract, but if any clause which even further elaborated on US Federal database. contractor will not early termination as per only Terms and Conditions that will be mentioned under Technical Proposal.	Please refer to below clause by reference in section 2. 52.212-4 CONTRACT TERMS AND CONDITIONS – COMMERCIAL ITEMS (NOV 2023) IS INCORPORATED BY REFERENCE.
10	Is all the links required diversity	The Government will not require Diversity for the Links in the RFP.
11	Kindly provide the exact coordinates where communication room in the premises	The exact location coordinate of the communication room will be provided to the contractor upon award
12	Please share any available DSP cabinet details	The DSP PLATES DETAILS are mentioned on Page# 4 & 5 of this amendment. STC: (MHMDKHU0438, EXCH 206, SP 2, P 1-9, tb 1) SALAM: (CLSJ, US EMBSSY, FROM MMH02, DIST 340M)
13	Our Pre-sales department informed us That scope of work is not very clear .We need you to confirm the scope through email if possible as well as the location's layout for WiFi installation if needed.	As per the SOW, The Government is looking for the link. The Government already has the infrastructure for our internal usage
14	To assist with our planning, could you please confirm if the consulate currently has fiber optic lines from an Internet Service Provider (ISP) running directly to the facility and is that ISP - STC or which company?	The Government already have STC, Salam and Zain lines.

Questions and Answers RFP 19SA4026R0006 – DIA Circuits

Q#	Question(s)	Government Response
15	Our proposed solution focuses on a comprehensive infrastructure upgrade to Next-Gen Firewalls (NGFW) with AI integration, Managed Switches, and Optical Network Terminals. Please let us know if the consulate plans to keep certain existing on-premise infrastructure as shown in our diagram, or if you require a complete overhaul with new Next-Gen equipment.	As per the SOW, The Government is only looking for the Internet Link.
