

SOURCES SOUGHT 36C24126Q0295

PROCUREMENT TITLE: BD PYXIS SYSTEM™ (INCLUDES THE BD PYXIS, BD LOGISTICS, AND BD IV PREP SYSTEMS)

SOURCES SOUGHT PURPOSE: The purpose of this **SOURCES SOUGHT NOTICE** is for market research purposes, to locate Qualified and Interested Vendors capable of performing services and equipment described in the attached Statement of Work.

THIS **IS NOT** A REQUEST FOR PROPOSAL; THEREFORE, PLEASE **DO NOT** SUBMIT ANY PRICING INFORMATION AT THIS TIME. THE GOVERNMENT WILL NOT PAY ANY COSTS FOR RESPONSES SUBMITTED TO THIS SOURCES SOUGHT NOTICE.

BACKGROUND: The Pharmacy service at Providence VA utilizes BD equipment, servers and applications for medication dispensing, inventory management and IV compounding. This includes three major systems: (1) BD Pyxis, (2) BD Logistics, and (3) BD IV Prep. These systems are integrated with one another and with VISTA/CPRS. The Contractor shall provide onsite and remote service and support of both the hardware and software associated with all components of: (1) BD Pyxis, (2) BD Logistics and, (3) BD IV Prep systems located at Providence Veterans Affairs Medical Center (PVAMC), Rhode Island and outpatient clinics located in Rhode Island and Massachusetts.

GENERAL DESCRIPTION: This procurement is for services and incidental supplies necessary to perform onsite and remote services and support for the BD Pyxis™, BD Logistics™, and BD IV Prep™ systems. All three of these sub-systems work together to interface with the BD Pyxis™ system. This system is designed to provide the VA with automated medication dispensing solutions along with pharmacy technologies. In addition to the services required for this procurement, the below equipment/supplies will be required. **SEE ATTACHED STATEMENT OF WORK (SOW) for full procurement details.**

(1) ES Platform System

- ES Medstations
- Auxiliary Columns
- ES Anesthesia Systems
- ES Refrigerators
- Medication Label Modules
- Smart Remote Managers

NAICS: 622110 General Medical and Surgical Hospitals

PRODUCT SERVICE CODE: J065 -Maint/Repair/Rebuild of Equipment—Medical, Dental, and Veterinary Equipment and Supplies

RESPONSE TO SOURCES SOUGHT: The VA is requesting written Capability Statements (No Pricing) from interested Sources capable of fulfilling all requirements described in the attached SOW.

WRITTEN CAPABILITY STATEMENT: If your company is interested in this requirement and capable of meeting all requirements in the attached SOW; please submit a brief written Capability Statement 2-5 pages, and include the following information in your written statement:

- ☐ Submit a brief written capability statement confirming that your company has capability to provide all services and equipment described in the attached SOW. **Your company must have capability and be an OEM BD Pyxis authorized source to perform all work in the SOW – services and equipment cannot be split up.**
- ☐ The system is a proprietary unit, submit OEM authorization letter, and/or partnership agreement stating that your company is authorized to work on the systems and provide the OEM equipment.
- ☐ Identify Country where units were manufactured (e.g., US, or another Country).
- ☐ Provide warranty information.
- ☐ Start Date - confirm that your company can start work on 4/1/2026.
- ☐ Include your Company's full Legal Name, Address, email for primary Point of Contact, Business type/size, and SAM.gov UEI number.
- ☐ Interested Parties must be registered in the System for Award Management (SAM) **at time of award**, accessible at <https://www.sam.gov/content/home>
- ☐ SDVOSB and VOSB firms must be certified by the center for Veteran Enterprise (CVE), accessible at <https://veterans.certify.sba.gov/#search>

DUE DATE FOR WRITTEN STATEMENTS: Please submit your Company's written Capability Statement to the below point of contact, by time shown below:

Submit Written Statements by: 3/5/2026, by 14:00 EST

Submit statements via email to: Pearl Wray, Contract Specialist at pearl.wray@va.gov.
