

THIS IS A SOURCES SOUGHT ANNOUNCEMENT ONLY. This notice does not constitute a commitment by the Government. All information submitted in response to this announcement is voluntary, and the Government will not pay for information requested nor will it compensate any respondent for any cost incurred in developing information provided to the Government.

As part of its market research, Norfolk Naval Shipyard (NNSY) is issuing this Sources Sought Notice to determine if there exists an adequate number of qualified interested contractors capable of providing solutions to meet the requirement. The Government may use the responses to this Sources Sought Notice for information and planning purposes.

NNSY is seeking companies that have the capability to repair and test Carbon Dioxide (CO₂) Scrubbers and Carbon Monoxide – Hydrogen (COH₂) Burners in accordance with OEM specifications and certifications.

This Sources Sought Notice is only for the purpose of identifying potential sources as part of NNSY's market research. No Request for Quote (RFQ) exists; therefore, do not request a copy of the RFQ. Responses to this Sources Sought Notice are not quotes on which NNSY can issue any contract. This Sources Sought Notice is issued for information and planning purposes only and does not itself constitute an RFQ. The Government does not intend to award a contract based only on responses to this Sources Sought Notice.

All information received in response to this Sources Sought Notice marked "Proprietary" will be protected and handled accordingly. Interested parties are responsible for adequately marking proprietary or competition sensitive information contained in their response. The Government reserves the right to ask follow-up clarifying questions to individual companies based on proprietary information submitted without posing those questions.

Responses to this Sources Sought Notice will not be returned. Responders are solely responsible for all expenses associated with responding to this Sources Sought Notice. NNSY will not pay for information received in response to this Sources Sought Notice.

The Government requests that interested parties respond to this notice in writing including details of your company's ability to repair and test Carbon Dioxide (CO₂) Scrubbers and Carbon Monoxide – Hydrogen (COH₂) Burners in accordance with OEM specifications and certifications. Additionally, please provide the following information:

1. Company Name and Address
