

PRE-SOLICITATION NOTICE
Solicitation No.: 19GE5026Q0038

The Regional Procurement Support Office, Frankfurt provides the following Pre-Solicitation Notice regarding the issuance of a Request for Quotation (RFQ) for:

Design-Build Construction Services for a Heated Walkway at the US Embassy Reykjavik, Iceland on behalf of the Facilities Management Office Reykjavik, Iceland

The Regional Procurement Support Office in Frankfurt, Germany, intends to issue a Firm Fixed-Price Construction type contract during the second quarter of calendar year 2026.

The US Embassy Reykjavik, Iceland has a requirement for the design, construction and installation of a heated perimeter walkway. Estimated length of a new heated walkway is 140 meters; estimated width is 0.8 meters.

The successful contractor shall provide complete design and construction services and contract coordination and supervision, including but not limited to the management, professional design services, and construction necessary to meet the requirements of this contract within the established schedules.

The magnitude of this project is anticipated to be between **\$100,000 and \$250,000 U.S. Dollars** for the entire project.

Qualified companies interested in the solicitation shall express their interest by written correspondence to the attention of Mr. Anthony Walker at WalkerAK@state.gov **no later than March 14, 2026** using the solicitation number 19GE50-26-Q-0038 in the subject line. Do not telephone.

All requests for a copy of the solicitation **MUST** include the following information: Name of Firm, Unique Entity Identifier, Name of Contact Person, Telephone Number and Email Address of Point of Contact as well as the Firm's Complete Physical and Mailing Addresses.

Firms shall be knowledgeable in written and spoken English.

APPLICATION FOR SOLICITATION DOCUMENTATION CHECK LIST

In applying for the solicitation material, you are acknowledging that your company can reach compliance with the following highlighted requirements included in the solicitation.

In accordance with **DOSAR 652.242-73 AUTHORIZATION AND PERFORMANCE (AUG 1999)**, it will be necessary for your organization to possess authorization to operate and do business in the country in which this contract will be performed. Contractors shall be required to provide:

- a. A thorough description as to what steps you have taken to investigate all requirements to obtain authorization to perform in the given country,

- b. Details of your findings and a description of what your organization will be required to undertake to obtain licensing, and
- c. Specific information concerning the period of time you anticipate it will take to obtain appropriate authorization.

You will be required to provide information that clearly shows you are able to perform work in Iceland. Any entry or work visa issues requirements must be clearly discussed with a plan to mitigate any risk clearly identified.

Irrevocable Letters of Credit (ILOC): The successful contractor will be required to provide the government with surety in the form of Irrevocable Letters of Credits totaling 40% of the value of the contract.

Solicitation and award will be subject to the laws and regulations of the United States of America. This requirement is being competed utilizing full and open competition procedures.

The solicitation package/documents **shall not be placed on SAM.gov as the documents contain SBU information. Only companies submitting a letter of interest and complete “Application for Solicitation Document” checklist attached hereto may receive a copy of the solicitation package/documents when available.**

Registration in the System for Award Management (SAM) database is mandatory to be considered for award. The registration must be in “active” status. Offerors may obtain information on registration and annual confirmation requirements at the help tab of www.sam.gov, and the Federal Service Desk: www.fsd.gov. The FSD is a free technical support service desk for user assistance.
