 - Large Business
8. Local Capability: Provide the full address of the primary service facility from which you would perform this work. State the driving mileage from this facility to Vandenberg SFB's main gate.

Part B: CAPABILITY & TECHNICAL FEEDBACK:

1. Overall Capability: Does your company possess the capability and experience to perform 100% of the services outlined in the attached PWS for the vehicles listed? Please provide a brief narrative (1-2 paragraphs) describing your company's experience with requirements of similar size, scope, and complexity.
2. Personnel & Certifications: PWS Section 5.4 requires specific ASE certifications. Please affirm your company's ability to meet this requirement. As evidence, do not just self-certify; provide a list of relevant, current ASE certifications held by technicians who would perform this work.
3. Special Vehicle Transport: PWS Section 7.2 requires the contractor to manage all permitting and transport for special-use vehicles (e.g., forklifts, refuelers) on public roads. Does your company have direct experience with and the capability to manage these requirements in California? Please describe your approach or any concerns.

MARKET RESEARCH QUESTIONNAIRE

4. PWS Performance Standards Feedback: Review the performance standards in PWS Part 5 (e.g., 8-hour quote turnaround, 24-hour PMI completion, <3% repeat failure rate).
 - a. Are these standards clear, achievable, and consistent with commercial practice?
 - b. Please provide specific feedback on any standard you believe is unrealistic, cost-prohibitive, or requires clarification.
5. Regulatory Compliance Feedback: Review the compliance requirements in PWS Part 7 (CARB, Cal/OSHA, HAZWASTE). Does your company currently operate in full compliance with these regulations? Please note any concerns.
6. Pricing Structure Feedback: The Government is contemplating a pricing structure that includes a Firm-Fixed-Price menu for routine tasks, Fixed Hourly Labor Rates for unscheduled repairs, and a fixed percentage markup on parts. Is this structure clear and consistent with your company's standard commercial practices? Please provide any feedback or alternative suggestions.
7. Do you intend to provide a quote for this requirement? How many days would you need to prepare a quote?
8. Provide a brief description of your company's/agency capabilities, anticipated teaming arrangements, and a description of similar services offered to the Government and to commercial customers. Any responses involving teaming arrangements should delineate between the work that will be accomplished by the prime and the work accomplished by the teaming partners.
