DESCRIPTION: NOTICE OF INTENT TO SOLE-SOURCE a 6-month, firm-fixed price contract TO Cepheid for Polymerase Chain Reaction (PCR) Molecular testing. This will allow the VA to continue supply/services with currently owned instruments, reagents, consumables/disposables, and lease and preventative maintenance agreements.

Period of Performance: April 01, 2026, through October 01, 2026.

This Notice of Intent is not a request for Proposals or Quotations. No solicitation document exists, and no telephone or email inquiries will be accepted. No contract award will be made on the basis of proposals, or quotations received in response to this notice. Interested persons may identify their interest and capability to respond to the requirement and should furnish detailed data concerning their capabilities to provide services sought, including pricing data and technical data sufficient to determine that a comparable source to the government is available. The government may consider all Expressions of Interest received prior to March 12, 2026. A determination by the government not to compete for this proposed contract based upon responses to this notice is solely within the discretion of the government. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement in the future. Responses to this notice must be emailed to Aleta.Jennette@va.gov and received by 10:00 AM EST on March 12, 2026. Submitters are responsible for ensuring their EOI reaches the designated Contracting Officer on-time.
