Any other business or person may identify their interest and capability in fulfilling this requirement by responding to this Notice by e-mail to sylvia.iloh@va.gov no later than 4:00 p.m. local time, Friday February 27, 2026. This Notice of Intent is not a request for competitive quotes/proposals; however, all communications received by the deadline will be considered by the Government. Information received because of this Notice will be considered solely for the purpose of determining whether to conduct a competitive procurement. A determination by the Government not to open this requirement to competition is solely within the discretion of the Government. No solicitation document is available currently.
