CLAUSES INCORPORATED BY FULL TEXT:

52.233-2 SERVICE OF PROTEST (SEP 2006)

Protests, as defined in section 31.101 of the Federal Acquisition Regulation, that are filed directly with an agency, and copies of any protests that are filed with the Government Accountability Office (GAO), shall be served on the Contracting Officer (addressed as follows) by obtaining written and dated acknowledgment of receipt from Ms. Juana Perez, Contracting Officer, FLCSD San Diego Code 240, 3985 Cummings Road, Building 116-3rd Floor-South End, San Diego CA 92136-4200.

The copy of any protest shall be received in the office designated above within one day of filing a protest with the GAO.

1.0 GENERAL INSTRUCTIONS

1.1 This solicitation is issued for a small business set-aside (SBSA).

1.2 The Government contemplates award of an Indefinite Delivery Indefinite Quantity (IDIQ) Multiple Award Contract (MAC) with the ability to place Firm fixed Price (FFP) task orders from this solicitation. The resultant contract is for program level support on Motorcycle Traffic Safety designed to sustain and preserve the well-being of today's motorcyclist service members in accordance with the PWS provided herein. Multiple awards will be awarded, and award will be based on a best value trade-off procurement under Federal Acquisition Regulations (FAR) Part 12, Acquisition for Commercial Items and FAR Part 15, Contracting by Negotiation. Award will consist of a one-year base period of performance followed by four one-year option periods.

1.3 The multiple contracts awarded will provide for the issuance of Firm Fixed Price (FFP) task orders. The Government anticipates competing the requirements among all MAC holders within the task order level. Each period of performance for all task orders shall in no event exceed one year. Task orders may contain option periods, however total task order period of performance shall in no event exceed one year.

1.4 For evaluation purposes only, offerors are instructed to price out a six-month option at the end of the last option period. Evaluation of contractor prices will include five- and one-half years. However, the awarded contract will be made on a five-year effort, and the six-month option will be incorporated only if clause 52.217-8 is exercised.

1.5 All offers must be received by the date specified in the RFP. The posted closing date and time applies to all submissions, as well as to all parts of the proposal which are to be considered for award. Any proposal modification or revision not received/submitted in the portal by the exact time specified for receipt of offers is "late" and will not be considered.

1.6 Offerors shall not take exception to any term or condition of this RFP, propose any additional term or condition, or omit any required information. Offerors that take exception to the Government's technical requirements, propose any

additional term or condition, or omit any required information without prior resolution with the Contracting Officer might be eliminated from consideration. The Offeror's initial proposal should contain the Offeror's best terms from a price and technical standpoint.

1.7 The Government intends to evaluate proposals and award multiple IDIQ contracts based upon initial written proposals. However, the Government may contact any or all or a limited number of Offerors with questions concerning its responses as permitted under FAR Part 16.

1.8 Questions regarding any aspect of this procurement shall be submitted in writing via email only and addressed to the Contract Specialist Russell McCullough at Russell.a.mccullough.civ@us.navy.mil. Other methods of question submittal will not be acknowledged. The Government will make every attempt to answer all questions in a timely manner; however, questions submitted within 7 calendar days of the posted closing date may not allow enough time to respond and offerors are not guaranteed a response. All questions and answers will be posted for viewing by all other potential offerors.

1.9 Offerors shall submit proposals electronically via email to the Contract Specialist, Russell McCullough, at russell.a.mccullough.civ@us.navy.mil. To ensure proper receipt and handling, the subject line of the submission email must adhere to the following format: "Proposal Submission - N0024426RS003 - [Offeror's Company Name]. The complete proposal, including all volumes and attachments, must be submitted in a single email. If file size limitation are a concern, multiple email may be used, but they must be clearly labored (e.g. "Email 1 of 3, Email 2 of 3") in the subject line. Proposals must be successfully received by the Government no later than the closing date and time specified in the solicitation. Offerors are solely responsible for ensuring their proposals is received by the deadline. It is recommended that offerors submit their proposal well in advance of the closing time to mitigate any risks of technical issues. An email acknowledgement receipt will be sent by the Government upon successful delivery of the proposal. Offerors who do not receive an acknowledgment within one business day should contact the Contract Specialist to verify receipt.

THE GOVERNMENT RESERVES THE RIGHT TO REJECT ANY PROPOSAL THAT DOES NOT COMPLY WITH PROPOSAL PREPARATION/SUBMISSION INSTRUCTIONS CONTAINED IN SECTION L.

4.0 Volume II - TECHNICAL PROPOSAL

4.1 Clarity and completeness of the proposal are of the utmost importance. The proposal must be written in a practical, clear, and concise manner. It must use quantitative terms whenever possible and must avoid qualitative adjectives to the maximum extent possible. The proposal must convey evidence the offeror understands all RFP and PWS requirements and their interrelationships. It must demonstrate the Offeror's familiarity with the detailed aspects of the requirements, and clearly show that the offeror correctly interpreted all of the requirements. Offerors are cautioned against restating PWS requirements in their proposal, particularly with regard to technical requirements; and must state how all RFP and PWS requirements will be met. Statements such as "the offeror understands" and "the offeror shall/can comply", along with reference or industry references) does not reflect that the offeror understands the requirements, and will likely result in a diminished evaluation rating.

4.2 Volume II is Factor I Technical Proposal and is comprised of two Sub-factors: Sub factor (1) - Technical Approach and Sub factor (2) - Management Approach/Staffing Plan. No cost or pricing information shall be included in any part of the Technical Volume.

4.3 Volume II should be organized in a manner to permit independent evaluation of each sub-factor under the Technical Proposal. Each sub-factor should be clearly identified and discussed in greater detail. The proposal must clearly discuss how the offer intends to comply with each sub-factor.

4.4 Sub-factor (1) Technical Approach

4.4.1 The technical proposal shall provide, in detail, an approach that will successfully demonstrate the offeror's understanding and plan to complete all requirements set forth in the solicitation. Offerors are cautioned not to provide statements paraphrasing the PWS or parts thereof and using phrases such "standard procedures will be employed" or "well known techniques will be used," etc., will be considered unacceptable. Offerors should provide narratives, charts, and documentation demonstrating its Technical Approach.

4.4.2 Technical areas to be addressed include technical expertise to provide professional training by certified instructors for the trainings listed in PWS Section 4.1.2, developing 90-day traffic course schedules, maintaining the CNIC N35 System of Record, optimizing class sizes, providing training motorcycles, and providing instructional material to each student.

4.4.3 Security Requirements: The offeror shall document how they will comply with the security requirements in PWS Section 6.0 and 7.0.

4.5 Sub-factor (2) Management Approach/Staffing Plan

4.5.1 The proposal must provide a comprehensive Management Approach describing how the offeror will organize, staff, and manage the requirements of this Multiple Award (MAC) Indefinite Delivery Indefinite Quantity (IDIQ) contract across the Continental United States (CONUS), Guam and Hawaii. The proposal shall clearly differentiate between the management of the base IDIQ contract and the management of individual task orders.

4.5.2 Program Management: The offerors shall describe its corporate management structure and approach to administering the basic IDIQ contract. This shall include:

- A description of the overall oversight and responsibility of the Program Manager and other key personnel managing the requirements from the contactor side
- An explanation of the offeror's plan for managing its team and resources to compete for task orders
- Describe the processes for communication and coordination with the Government's contracting office at the IDIQ level

4.5.3 Task Order Management: The offeror shall describe its specific approach to managing individual task orders. This shall include:

- Describe the processes for receiving, reviewing and responding to Task Order Requests for Quotations
- The methodology for developing detailed task order project plans, including timelines, resource allocations and risk management for each awarded task
- A description of how contractor-owned training motorcycles for BRC-1 courses will be managed and allocated for students to use a task order level
- Describe the processes for performance monitoring, reporting and quality control specific to each task order to ensure all requirements are met.

4.5.4 Instructor Staffing and Certification: Offeror shall describe proposed staffing levels, methods for ensuring availability of certified instructors in accordance with PWS Section 4.02 and 7.0, process for tracking/maintain required certifications, and plans for backfill and turnover at the IDIQ and specific task orders.

4.5.5 Training Delivery and Quality Control: Offeror shall describe approach to ensuring consistent, compliant course delivery; internal oversight; performance monitoring; and correction of training deficiencies at the task order level.

4.5.6 Geographic Coverage: Offeror shall describe approach to supporting all or a portion of the required locations (attachment 2) - through instructor placement, travel, and logistics at the task order level.

4.5.7 Transition: The offeror shall provide a plan for achieving full operation capability upon award of the base IDIQ contract and a separate plan outlining the process for smoothly transitioning and standing up performance for any subsequently awarded task order..

4.5.8 Subcontractor(s): Each offer shall address what role, if any subcontractor(s) will play and its relationship with the prime contractor.

5.0 Volume III- Past Performance Confidence

5.1 Offerors should provide relevant past performance information for similar or related work under contracts completed during the last five years. Offerors may submit performance data regarding current contract performance as long as a minimum of one year of performance has been completed as of the closing date of this solicitation. Each Offeror has the opportunity to provide in its proposal any information regarding its past performance of contracts similar to the Government's requirement that it would like the Government to consider. The Offeror may include Federal, State and Local Government and private sector contracts.

5.2 Offerors shall contact their past performance references and request that each reference complete the "Offeror's Past Performance Data" (OPPD) - Section J. Completed OPPDs shall be submitted by email directly to Russell.a.mccullough.civ@us.navy.mil no later than the closing date of this solicitation. The subject line of the emailed OPPD must read "SOLICITATION N00244-26-R-S003 OPPD". Offerors may submit no more than three (3) OPPDs as the prime contractor and offered subcontractors may submit no more than two (2) OPPDs.

5.3 In addition to the OPPD, Offeror's shall include in Volume III, a one to two-page document listing all potential references. Information to be provided is reference name, address, phone number, email address, and any other identifying information with respect to the OPPD such as Contract Number or type of work provided.

Failure to submit any past performance references shall be considered certification that the offeror has no past performance in relevant services for the Government to evaluate.

6.0 Volume IV - Price

6.1 Each offeror's price proposal must be submitted in a spreadsheet format and the required soft copy must be in Excel format. Do not submit this spreadsheet in PDF format. The spreadsheet must list the factors used to calculate the billing rates for the base year and each option period. Training courses and Travel shall be in accordance with those specified herein. Price per session shall include any applicable educational course fee involved. There is no page limitation for Price information.

6.2 The price volume shall be a complete and detailed breakdown and include all elements of price and such other data as considered appropriate to support the Offeror's proposal. Offerors are required to propose for travel using the ceiling amounts (not to exceed) provided in this solicitation for the base period and each option year. (inclusive of handling) for the base and each option year.

Base	\$159,700.00
Option Year One	\$162,454.00
Option Year Two	\$165,263.00
Option Year Three	\$168,128.00

Option Year Four \$171,050.00

6.3 Offerors are instructed to price a six-month option at the end of the option period four. The six-month option should not exceed 50% of the last option year. Should clause 52.217-8 Option to Extend Services be executed, the six-month option will be incorporated into the contract by a contract modification.

6.4 Cost/Price Realism: A cost/price realism will not be performed for the evaluation.

6.5 Price Narrative: Offerors may submit a price narrative in word but shall submit a detailed price breakdown in excel format.
