STATEMENT OF WORK

Task Order 01:

Post Award Kickoff Conference

2 July 2025

1.0 IDIQ General Information

- 1.1 The Operational Test and Training Infrastructure (OTTI) Integrated Program Office (IPO) mission is to provide space warfighters interconnected, scalable, and distributed live/physical and synthetic/digital ranges for full-spectrum test and training to develop, validate, and sharpen joint warfighting solutions to prevail in Multi-Domain Operations (MDO) conflicts.
- 1.2 The National Space Test and Training Complex (NSTTC) Innovative Technology & Engineering – Space Test and Range (NITE-STAR) Capability Development Multiple-Award (MA) Indefinite-Delivery, Indefinite-Quantity (IDIQ) base contract vehicle will be used to design and develop complex end-to-end systems which are space-based and/or ground-based systems and their associated control systems.
- 1.3 Under the NITE-STAR Capability Development MA IDIQ the capability developers will evaluate, deliver, and integrate space and ground systems, software services, sensors and supporting infrastructure, enabling multi-domain capabilities for the United States Space Force (USSF).

2.0 Task Order 01 Scope

The Post Award Kickoff Conference will serve as the official launch of the NITE-STAR Capability Development MA IDIQ. The purpose is to achieve a clear and mutual understanding of contract requirements, establish communication channels, and set expectations for successful contract execution. Absolutely no changes to the contract will be made, nor contract terms renegotiated. The meeting will also serve as a forum for questions and clarifications.

- 2.1 Post Award Kickoff Conference
 - 2.1.1 Each Contractor shall participate in a Post Award Kickoff Conference, to be held in Colorado Springs, CO no later than 30 days after contract award. The Post Award Kickoff Conference will be scheduled for approximately 90 minutes, conducted face-to-face, and will not include other contractors from the IDIQ contractor pool.
 - 2.1.2 Each Contractor will be awarded a firm-fixed price TO valued at \$10,000 to complete TO 01.
 - 2.1.3 The Contractor shall provide the Presentation Material (CDRL A001) via e-mail to the Government Contracting Officer and Government Program Manager at least three (3) business days before the meeting. Microsoft PowerPoint is the preferred format.
 - 2.1.4 The Contractor shall produce and deliver Kickoff Meeting Minutes capturing meeting attendees, key points of discussion, and any action items assigned during the meeting. (CDRL A002). Microsoft Word is the preferred format.
- 2.2 Kickoff Conference Content
 - 2.2.1 Team Introductions
 - 2.2.1.1 The Contractor shall introduce everyone participating in the meeting and their roles as it relates to the IDIQ, emphasizing key personnel

supporting the contract. The Contractor shall provide a supporting Roles and Responsibilities organizational chart as part of the presentation. This chart is intended to be used by both parties to identify the correct points of contact during the execution of the IDIQ. The program organizational chart will show the structure of the program organization by title and name, and identify the program office, support contractors, and major subcontractors.

2.2.2 Capabilities Overview Briefing

2.2.2.1 The Contractor shall present an overview of capabilities, processes, and management approach to support the NITE-STAR Capability Development IDIQ requirements.

2.2.2.2 The Contractor shall provide additional improvements, ideas, and suggestions to support the OTTI Enterprise and future task orders.

3.0 Deliverables:

- 3.1 CDRL A001 Presentation Material
- 3.2 CDRL A002 Kick-off Meeting Minutes
