

PURCHASE DESCRIPTION

DELL Laptops - NREN

1. INTRODUCTION

The Naval Surface Warfare Center (NSWC), Corona Division, requires laptops for the Naval Research Enterprise Network (NREN) – the internal network that supports the Navy's research, development, and acquisition (RDA) efforts.

2. BACKGROUND

The NSWC, Corona Division, has a requirement for the use of laptop computers that will be used to support data communication through the US Navy's wide area network for mobile mission tactical operations.

3. REQUIREMENTS

The requirements for this procurement consist of laptops.
Technical specifications below:
