White Paper Content

The White Paper narrative expands on the PowerPoint briefing and shall describe the offeror's approach to providing an innovative solution in response to the Spiral AOI. The White Paper should provide sufficient information on the technical approach to enable assessment by a technical expert. Expand as deemed necessary on the following: Objective; Description of the Effort; Benefits of the Proposed Approach; Technical Challenges; Solution Approach; State of Solution; Major Milestones by Government fiscal year and month; and the Rough Order of Magnitude (ROM) price estimate.

Do not include corporate or personnel qualification, past experience, or any supplemental information not requested in the PowerPoint briefing.

The white paper shall be 8.5 x 11 inches with one-inch margins, single-spaced, Times New Roman font ≥ 12 pt and shall not exceed two pages. Illustrations, flowcharts, drawings, and diagrams are included in the page count.

White Papers shall be submitted electronically as a PDF.

The Government will not evaluate slides or pages in excess of the limitations specified herein, or as otherwise specified in the Spiral.
