

Sources-Sought Notice

The Indian Health Service, Chinle Service Unit is issuing this sources-sought synopsis as a means of conducting market research (FAR 10.001) in identifying prospective sources to fill a government requirement for a Blanket Purchase Agreement (BPA) for Newborn Hearing Screen Test supplies.

The applicable North American Industry Classification System (NAICS) code assigned to this requirement is 339112 Surgical and Medical Instrument Manufacturing with a small business size standard of 1,000 employees.

THIS IS NOT A SOLICITATION. Information collected from this notice is purely for market research only and will be used to determine the contracting office's acquisition strategy including competition, set asides, and locating Indian-owned economic enterprises. Submission of any information in response to this market survey is purely voluntary. The government assumes no financial responsibility for any costs incurred in response to this request for information.

Period of Performance: Base Year and Four (4) Option Years

In accordance with FAR 4.1102(a), offerors and quoters are required to be registered in System for Award Management at SAM.gov, at the time an offer or quotation is submitted in order to comply with the annual representations and certifications requirements.

Submission Instructions: Interested parties who consider themselves qualified to perform the above-listed services are invited to submit a response to this notice by March 14, 2026, 5:00PM MST to Teola Autaubo at teola.autaubo@ihs.gov with the subject line "SSN IHS1521050". Your submission must include the following information, at a minimum:

1.
