Acquisition Plan Action ID: 36C262-26-AP-2667

1. **Contracting Activity:** Department of Veterans Affairs, VISN 22, in Phoenix Medical Center, *seeks to procure the supplies / services listed in purchase request 644-26-2-201-0077 for the VA Phoenix Healthcare System*
2. **Brief Description of Supplies/ Services required and the intended use/Estimated Amount:**
VA Phoenix Healthcare System requires the Zoll Defibrillator Dashboard Software Upgrade for existing licenses inventory and subscriptions for continued patient care support.
Estimated cost is \$100,175.00 for Base + 2 OYs
3. **Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:**
Due to exclusive licensing agreements of proprietary software / technology, urgency, time constraints, and item being unique to one manufacturer, Zoll Medical Corporation – the original equipment manufacturer (OEM); use of any other product(s) would be incompatible, void warranties, and render vital medical equipment useless. Purchase is in accordance with FAR13.106-1(b). Circumstances of contract action deem only one source reasonably available based on exclusive licensing agreements of proprietary software / technology, and time constraints, and no other supplies or services will meet agency need.
4. **Description of market research conducted and results or statement why it was not conducted:**
RFI 36C26226Q0320 posted on 1/28/2026 returned 1 SDVOSB proposing a Japanese software, Asahi Kaisei. However, results of SBA Dynamic database query by applicable NAICS code 513210 identified 868 SDVOSB / VOSB vendors. Due to exclusive licensing agreements of proprietary software / technology, the contracting officer determined circumstances of contract action deem only one source reasonably available due exclusive licensing agreements of proprietary software / technology, urgency, time constraints, and no other supplies or services will meet agency need. CO recommends sole source base plus two option years (OYs) to Zoll Medical, OEM IAW FAR Part 13.
5. **Contracting Officer's Certification:** *Purchase is approved in accordance with FAR 13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief, and the price offered is determined to be fair and reasonable.*
