NOTICE TO PROSPECTIVE BIDDERS

RE: AK USFS Chug1004 9(1)
Vagt Lake Trailhead
Solicitation No. 69056724B000024

The attached preliminary plans are being furnished to aid prospective Bidders in identifying the location and type of work for this project. The project will be advertised during a period when viewing of the project may not be possible due to snow. Therefore, prospective Offerors are encouraged to view the project during fall as conditions permit. After October 14, access will be weather dependent; current road conditions on Seward Highway can be accessed by 511.alaska.gov or downloading the 511 Alaska mobile app from Google Play or the App Store. No Federal Highway Administration personnel will be available for show-me tours.

Project Location and Type of Work - All project work is in the Kenai Peninsula Borough in Alaska.

- **Vagt Lake Trailhead Site:** This site is located on the north side of Crown Point Mine Road east of Seward Highway (north of Milepoint 25). Work consists of excavation, grading (involving placement of Unclassified Borrow and Aggregate), vault toilet installation, concrete placement for ADA parking spaces and walkways, and sign installation.
- **Milepost 35 Pit (Optional Government Provided Material Source):** This site is located on the west side of Seward Highway south of Milepoint 35 (coordinates: 60°30'59.2"N 149°29'17.9"W). This site is an optional source for the Unclassified Borrow and Aggregate needed for the Vagt Lake Trailhead improvements. The contractor will be responsible for clearing, grubbing, excavating, and crushing material as needed. There is no charge for the material taken from the Milepost 35 pit. The source has been certified as reasonably weed free by the managing agency.

Technical Questions – All technical questions must be submitted by email wfl.plans-spec@dot.gov.

General Questions - Contact our office at wfl.contracts@dot.gov or at 360-619-7520.

Solicitation documents - Documents will be available during the winter of 2024/2025. Please monitor the SAM site (www.sam.gov) for actual date of solicitation release. To receive automatic notification through SAM, you must be logged in and select the “Follow” feature. For more information go to [How do I follow items on SAM.gov?](https://www.sam.gov/help/How-do-I-follow-items-on-SAM.gov?).

Thank you for your interest in this project.
