

Sources Sought Notification (SSN)

Non-Tactical Vehicles

1. OVERVIEW

The Marine Corps Installations Pacific – Regional Contracting Office (MCIPAC–RCO) is seeking written responses with information to assist the Government with identifying potential sources that are interested in and capable of providing non-tactical vehicles described in section 2. below.

The Government is particularly interested in identifying potential sources that can provide all non-tactical vehicles, if possible, for the delivery locations listed in section 2.

2. DESCRIPTION

All vehicles shall be the newest model and year at the time of delivery and ready for use. Vehicle/Equipment and furnished accessories shall comply with Japanese Motor Vehicle Safety Standards, including, but not limited to, exhaust emission control requirement, in effect on the date of manufacture.

List of vehicles:

Delivery Location: Marine Corps Base Camp Foster, Chatan-cho, Okinawa, Japan

3. Responses

Interested vendors may submit a written Capabilities Statement with enough information to determine the company's ability to fulfill the government requirement described in section 2. above.

The following information should be included:

Availability of Requested items or equal items

- Product description or copy of Catalog
- Manufacture, Model, Type
- Approximate Lead time for each item

Company Information

- Name
- Cage code and Unique Entity ID (UEI),

- NAICS codes registered in the System for Award Management (SAM).
- Phone number
- Email address
- Point of contact

If interested, please respond to this notice with a capability statement no later than **17Apr2026, 15:00 (Japan Standard Time)**.

Government POC:

Ms. Minako Kinjo
