

PERFORMANCE WORK STATEMENT (PWS)

Somerset Independent School District (ISD)
JROTC Cadet Leadership Challenge (JCLC)
United States Army Cadet Command
5th Brigade JROTC Programs
8-12 June 2026

Part 1 General Information

1. General: This is a non-personal services contract to provide services to support the Somerset ISD JCLC during the period 8-12 June 2026 New Braunfels, TX. The Government will not exercise any supervision or control over the contract service providers performing the services. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government. This is a non-personal service contract under which the personnel rendering the service are not subject, either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

1.1 Description of Services/Introduction: This is a non-personal services contract to furnish facilities, furniture, equipment, supplies, medical services, tools, management, supervision and labor as specified herein to provide co-located facilities, training facilities, lodging accommodations, and meal services for 220 Cadets and 40 Cadres during the period of 8-12 June 2026 for the Somerset ISD JROTC JCLC. Training facilities shall include high ropes, low ropes, zip lines, orienteering course, obstacle course, rappelling course, and a swimming pool for a water safety course. The contractor shall provide services in accordance with the terms, conditions and specifications set forth in this PWS. The contractor shall perform to the standards in this contract.

1.2 Background: JCLC is an annual requirement for all JROTC units. The camp is required to have proven capabilities to provide co-located lodging accommodations, food services, transportation, specialized training facilities/activity areas, medical support with facilities as well as running route and other areas required to support the Somerset ISD JROTC programs. There are 22 JROTC Programs attending this JCLC.

1.3 Scope: The Contractor shall provide non-personal service(s). This is a non-personal services contract to furnish facilities, furniture, equipment, supplies, medical services, tools, management, supervision and labor as specified herein to provide co-located facilities, training facilities, lodging accommodations, and meal services for 220 Cadets and 40 Cadre during the period of 8-12 June 2026 for the Somerset ISD JROTC JCLC. Training facilities shall include high ropes, low ropes, zip lines, orienteering course, obstacle course, rappelling course, and a swimming pool for a water safety course. The contractor shall provide services in accordance with the terms, conditions

and specifications set forth in this PWS. The contractor shall perform to the standards in this contract.

1.4 Objectives: The objectives of this contract are:

- Allow Cadets a chance to participate in citizenship building exercises.
- Give Cadets the opportunity to experience living and interacting with their peers from other units/schools.
- Instruct leadership-type skills to Cadets in a “hands on” military type environment.
- Provide an opportunity to participate in adventure training not regularly available to Cadets.
- Provide meals, lodging and training facilities as specified in this PWS to ensure the event is successful for Cadets and Cadre.

1.5 General Information:

1.5.1 Quality Control Plan (QCP): The contractor’s existing quality assurance system shall be utilized in accordance with FAR 12.105.

1.5.2 Quality Assurance: The Government will evaluate the Contractor’s performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan is primarily focused on what the Government must do to ensure that the Contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the acceptable quality levels (performance thresholds)

1.5.3 Recognized Holidays: The following provides information on recognized holidays for the purpose of the PWS. If submittal of any documentation (e.g. deliverables, submittals, etc.) deadlines fall on a holiday, the closest work day prior to the holiday will apply as the deadline for submittal.

1.5.3.1 U.S. Holidays: Work shall not be performed on U.S. federally recognized holidays occurring during the normal workweek unless otherwise directed by the Contracting Officer. When a U.S. holiday occurs on a Saturday or a Sunday, the holiday is observed on the preceding Friday or following Monday, respectively.

1.5.4 Operating Hours: Contractor support hour requirements often coincide, however, they may differ. Please refer to the following.

1.5.4.1 Contractor Support Hours: Reserved

1.5.5 Place of Performance: The work to be performed under this contract will be performed at the contractor’s primary place of business located within 150-mile radius.

1.5.6 Type of Contract: This will be awarded as a Firm Fixed Price contract.

1.6 Security Requirements: The following information is provided on security related matters.

1.6.1 Physical Security: The Contractor shall safeguard all Government equipment, information and property provided for Contractor use.

1.7 Post Award Conference/Periodic Progress Meetings: The Contractor shall attend any post award conference convened by the contracting activity or contract administration office in accordance with FAR Subpart 42.3. The Contracting Officer, COR, and other Government personnel, as appropriate, may meet periodically with the Contractor to review the Contractor's performance. At these meetings the Contracting Officer will apprise the Contractor of how the Government views the Contractor's performance and the Contractor shall apprise the Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the Government.

1.7.1 The Contractor shall establish and implement methods of making sure all keys are accounted for by key control. Such procedures shall include turn-in of any issued keys by personnel who no longer require access to locked areas. The Contractor shall immediately report any occurrences of lost or duplicate keys to the Contracting Officer.

1.8 Contracting Officer's Representative (COR): As determined by the Contracting Officer, a COR will be appointed and identified by letter of designation, a copy of which will be provided to the Contractor by the Contracting Officer. The designation letter states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates, or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is not authorized to obligate the Government. If the work is not written in the contract, the COR is not authorized to request new work. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract, perform inspections necessary in connection with contract performance, maintain written and oral communications with the Contractor concerning technical aspects of the contract, issue written interpretations of technical requirements, including Government drawings, designs, specifications, monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies, coordinate availability of Government property, and coordinate site entry of Contractor personnel.

PART 2 DEFINITIONS & ACRONYMS

2. Definitions and Acronyms

2.1 Definitions: Although not inclusive of every term used within this PWS, the following provides a list of definitions used throughout this PWS and commonly used in the acquisition field.

Contracting Officer – means a person with the authority to enter into, administer, and/or terminate contracts and make related determinations and findings on behalf of the Government. Note: The only individual who can legally bind the Government.

Contracting Officer's Representative (COR) – As defined in DFARS 202.101, means an individual designated and authorized in writing by the Contracting Officer to perform specific technical or administrative functions. DoD Instruction (DoDI) 5000.72, Part II Definitions states the following when defining a COR: “Defined in subpart 202.101 of Reference (f). Any individual delegated responsibilities pursuant to subpart 1.602-2 of Reference (e), regardless of local terminology, must be certified in accordance with this instruction. For example, local terminology can be COR, Contracting Officer’s technical representative, technical point of contact, technical representative, alternate COR, administrative COR, assistant COR, line-item manager, task order manager, quality assurance personnel, quality assurance evaluator, or COR management.” In addition, Army Regulation 70-13, Chapter 2, paragraph 2-2g, states, in part, the following when providing other surveillance support personnel to assist the COR when needed, “...These other surveillance support personnel may serve as on-site representatives of the COR in performance of actual contract surveillance if they meet all COR requirements and have been appointed by the Contracting Officer as alternate CORs.

Contractor – means a supplier or vendor awarded a contract to provide specific supplies or service to the Government. The term used in this contract refers to the prime.

Day – means, unless otherwise specified, a calendar day.

Defective Service – means a service output that does not meet the standard of performance associated with the Performance Work Statement.

Deliverable – means anything that can be physically delivered, but may include non-manufactured things such as meeting minutes or reports.

Physical Security – means that part of security concerned with physical measures designed to safeguard personnel; to prevent unauthorized access to equipment, installations, material, and documents; and to safeguard against espionage, sabotage, damage, and theft.

Quality Assurance – (or Government contract quality assurance) means the various functions, including inspection, performed by the Government to determine whether a Contractor has fulfilled the contract obligations pertaining to quality and quantity.

Quality Assurance Surveillance Plan (QASP) – means the key Government-developed surveillance process document, and is applied to Performance-Based Service Contracting (PBSC). The QASP is used for managing Contractor performance assessment by ensuring that systematic quality assurance methods validate that Contractor quality control efforts are timely, effective, and are delivering the results

specified in the contract or task order. The QASP directly corresponds to the performance objectives and standards (i.e., quality, quantity, timeliness) specified in the Performance Work Statement (PWS). It provides specific details on how the Government will survey, observe, test, sample, evaluate, and document Contractor performance results to determine if the Contractor has met the required standards for each objective in the PWS. The QASP, with very few if any exceptions, is an internal to Government document.

Quality Control – means all necessary measures taken by the Contractor to assure that the quality of an end product or service shall meet contract requirements.

Subcontractor – means one that enters into a contract with a prime Contractor. The Government does not have privity of contract with the subcontractor.

Work Day - The number of hours per day the Contractor provides services in accordance with the contract.

Work Week - Monday through Friday, unless otherwise specified.
