

Notice of Intent to Sole Source – USAFWS Advantor HSS Replacement

The 99th Contracting Squadron intends to award a sole source purchase order under the authority of FAR 6.103-1(b) due to supplies or services required by the agency are available from only one responsible source and no other type of supplies or services will satisfy agency requirements. The requirement is for the purchase of USAFWS Advantor HSS Replacement.

This notice of intent is not a request for competitive proposals, and no solicitation document exists for the requirement. Sources interested in responding to this notice are required to submit a capability statement that includes technical data and cost information, sufficient detail and with convincing evidence that clearly demonstrates the capability to meet the requirement. All capability statements received by the due date of this notice will be considered by the Government.

A request for documentation or additional information or submissions that only ask questions will not be considered as an affirmative response. A determination by the Government not to compete based on responses to this notice is solely within the discretion of the Government. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement or to proceed with a sole source procurement.

Capability statements are due no later than Monday, 13 April 10:00 AM Pacific Standard Time. **To ensure your response along with any and all attachments are received, attachment(s) must be less than 10 MB [in total]. It is the responsibility of the offeror to contact the government to confirm receipt prior to the offer due date and time.** Capability statements shall be submitted by email ONLY as a Microsoft Word or Adobe PDF attachment to the following address:
