

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)? ☐ Yes ☒ No

Contracting Activity: Department of the Air Force, 502d Contracting Squadron, JBSA Randolph TX, 78150-4525

Project/Program Name: FY26 OPSCAN Maintenance Support

Purchase Request / Local ID Number: TBD

Estimated Contract Cost (including Options): \$ [REDACTED]

Section B: Description of the Supplies/Services Required

The [REDACTED] and the [REDACTED] located at JBSA Lackland, TX, has a requirement for the renewal of OPSCAN 8 Dual Scanner maintenance and repair support for two (2) scanners. This acquisition is a follow-on contract to Contract No. FA301620C0108.

Period of Performance: 01 May 2026 - 30 April 2027

Equipment Being Covered:

1. Scanner 1 - Model: OPSCAN 8/502, Serial #: 1802972
2. Scanner 2 - Model: OPSCAN 8/502, Serial #: 1802973

Section C: Justification for Soliciting from a Single Source or Brand Name

Secur-Serv, Inc. is the sole provider for the repair and maintenance of the parts/spare parts for the OPSCAN 8 scanners (Serial #: 1802972 and 1802973). In addition, Secur-Serv, Inc. is the sole manufacturer and distributor of Optical Mark Reading (OMR) scanners. Secur-Serv, Inc. holds intellectual property protections relating to the technology used in its INSIGHT™ and OPSCAN® product lines, as well as, its proprietary software, ScanTools® Plus. Due to the proprietary nature, Secur-Serv, Inc. is the only vendor authorized to provide the maintenance and support for the existing scanners. Failure to use the manufacture on-site maintenance and repair support could result in the Government accepting unforeseen costs related to the [REDACTED] testing every 8-weeks.

Section D: Efforts to Obtain Competition

Market research was conducted utilizing SAM.gov, Google, and GSA Advantage! to identify potential sources capable of providing Optical Mark Reader (OMR) maintenance services. While these searches yielded vendors offering some general scanner maintenance services, they did not identify sources capable of providing Optical Mark Reader (OMR) maintenance services for the existing OPSCAN 8 scanners.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

Until it is determined that the current OPSCAN 8 scanners no longer meet the requirements of the [REDACTED]

Single Source Justification (Simplified Acquisition)

[REDACTED]
[REDACTED]
 additional maintenance and support for the existing OPSCAN 8 scanners must continue to be procured from Secur-Serv, Inc. The Government will continue to evaluate the capabilities of other vendors through continuing market research and meeting with other vendors and the demonstrations of their products. Continued efforts in this regard will ensure that the Government is getting the best value at a fair and reasonable price by ensuring the Government utilizes the most efficient and economical means possible.

Section F: Contracting Officer's Determination

I have determined, in accordance with [FAR 13.106-1\(b\)\(1\)](#), that the circumstances of this contract action deem only a single source is reasonably available.
