

Sources Sought:

Title: LGC 25-3-14 Weld Ventilation B2, RIA-JMTC at Rock Island Arsenal

Product Service Code: 3695

NAICS Code: 238190

The purpose of this notice is to gain knowledge of potential qualified sources for the purchase of LGC 25-3-14 Weld Ventilation B2 at Rock Island Arsenal in support of the Joint Manufacturing and Technology Center (JMTC). The U.S. Army Contracting Command-Rock Island (ACC-RI) is seeking sources only.

This is NOT a Request for Proposal (RFP), Request for Quotation (RFQ), or an invitation for bid, nor does its issuance obligate or restrict the Government to an eventual acquisition. The Government may use all information received from this RFI for planning purposes and to identify potential sources as part of market research. The Government does not intend to award a contract based on responses to this RFI nor reimburse vendors for the preparation of any information submitted or Government use of such information. Responders are solely responsible for all expenses associated with responding to this RFI. ACC-RI will not pay for information received in response to this RFI.

ACC-RI intends to consider all capability statements when developing its finalized acquisition strategy and resulting solicitation(s).

Please submit all capability statements as outlined below by 11:00 A.M. CST on April 20, 2026, by email to angel.j.traman.civ@army.mil.

Please provide a capability statement to include supporting information and documents to support the vendor's ability to perform this requirement in accordance with Attachment 0001 – DRAFT Purchase Description. The capability statement should clearly address the following areas:

1. Vendor's Size Standard, DUNS Number, EUI, Cage Code
2. Does the vendor have at least 3 years of experience manufacturing this equipment.
3. What manufacturer and model number would be offered for this equipment.
