PERFORMANCE WORK STATEMENT (PWS) FOR NCIS PEER SUPPORT TRAINING AND CONSULTATION SERVICES

1. BACKGROUND

The Naval Criminal Investigative Service (NCIS) Peer Support Program (PSP) helps people cope with a wide range of personal and/or work-related issues. The rationale for such a program is that individuals who share common conditions or experiences can cope more effectively by discussing their experiences, sharing practical information, and offering moral support to one another. NCIS provides all employees the opportunity to receive emotional and tangible peer support through times of personal or professional crisis and to help anticipate and address potential difficulties. The NCIS Peer Support Program maximizes existing agency resources by providing employees with additional options and tools for dealing with personal problems. Annual, as well as monthly recurring training, will ensure current Peer Support Responders, Program Coordinator, and Assistant Program Coordinator maintain skills and current best practices.

2. SCOPE

The scope of this effort is to obtain support services for the training of NCIS personnel on the Peer Support (PS) Team as well as provide consultation and clinical support of the NCIS Peer Support (PS) Team.

3. TASKS

3.1 The Contractor shall provide a 40-hour Annual Peer Support training session at NCIS HQ Quantico, VA or any location deemed appropriate by NCIS. Any alternate location will be furnished by the Government. If circumstances require virtual training, the Contractor shall provide this training virtually using a Government-approved video conferencing application. The contractor shall deliver all needed training materials in DRAFT format within two (2) weeks prior to the training session for Government review to allow for revisions if required **(DEL02)**. A final copy of the training materials shall be delivered to the Government one week prior to training **(DEL03)**. The annual training shall consist of five (5) consecutive days at 8 hours per day, starting at 0700 and ending at 1600 with a one-hour break.

3.2 The Contractor shall provide on-going consultation and clinical support of the PS Team – to include training and advising on the structure, development, and activity of the PS Team and the

NCIS – Peer Support Training and Consultation Services

PS Program, to include up-to-date modernized techniques and technology. This consultation will enhance and support the best peer support skills and lead to an improved program participant outcome, as well as increase the professional development of the PS Team members.

3.3 Training Schedule: The Contractor shall provide comprehensive support to the PSP Team by delivering a monthly training schedule (**DEL04**) designed to address emergent and developmental NCIS requirements. This support extends to on-demand coaching, consulting, and mentoring, which shall be accessible to PSP team members globally on a 24/7 basis via email, telephone, or video conferencing. The Contractor shall adhere to a strict service level commitment, acknowledging all requests within one (1) business day and providing substantive engagement within three (3) business days, unless an alternative timeframe is mutually agreed upon, ensuring a responsive and agile support posture.

3.4 Critical Incident Response. The Contractor shall provide ad hoc training to review specific skill sets applicable to the impacts (i.e. emotional, psychological, etc.) of a critical incident. This includes immediate availability for coaching, consulting, and mentoring to the PS Team members at any location on a 24-hour, 7-day a week basis via email, telephone, or video conferencing, as applicable.

4. DELIVERABLES

4.1 Kick-off meeting shall be scheduled between the Government and the Contractor before the performance of the contract. Any issues that may arise during the meeting will be reported to the Contracting Officer (KO) for resolution. No work shall proceed unless all issues identified during the kick-off meeting are resolved. (**DEL01**).

DELIVERABLE NUMBER	DESCRIPTION	PWS PARAGRAPH	DUE DATE
DEL01	Kick off meeting	4.1	Within one week after award
DEL02	Training materials DRAFT review	3.1	Two weeks prior to training
DEL03	Training materials FINAL	3.1	One week prior to training
DEL04	Monthly Training Schedule	3.3	Within 2 weeks after contract award

5. PLACE OF PERFORMANCE

The Government shall provide the training facility at the Russell-Knox Building, located in Quantico, VA, or another Government-approved location. Participation by other law enforcement agencies in the annual training requires prior Government coordination and approval.

6. PERIOD OF PERFORMANCE

The Period of Performance (PoP) will include a 12-month Base period with up to four (4) 12-month Option periods. The annual training sessions are anticipated to occur notionally during the 3rd and 4th quarter per Fiscal Year (May - Sept).

7. TRAVEL REQUIREMENTS

The Contractor shall resource and successfully execute all Government training requirements. While conducting training, the Contractor's primary duty is to the Government; performance of any external or collateral functions is strictly prohibited without prior Government approval. To deliver these services, the Contractor will travel to Government-designated CONUS locations, including the Russell-Knox Building, Quantico, VA, in accordance with the Joint Travel Regulations (JTR). All travel expenditures shall be at the Contractor's sole expense and will not be subject to reimbursement by the Government.

8. PERSONNEL REQUIREMENTS

The Contractor shall have a minimum of 15 years of experience in the field of police and public safety psychology, crisis intervention, trauma recovery, and violence prevention. Experience shall include response to law enforcement specific and mass casualty disaster events with peer support teams.

The Contractor shall have American Board for Professional Psychology for Police and Public Safety certification. The Contractor shall have experience with development and implementation with peer support teams for law enforcement and government agencies, and have experience with peer support training for law enforcement and government agencies. The Contractor shall have a doctorate-level licensed psychologist, with a Ph.D. in clinical or counseling psychology. Additionally, the Contractor shall have experience working globally and with individuals in extreme, high-risk, high-stress environments.

9. SECURITY REQUIREMENTS

The Contractor shall provide documentation of employment eligibility, individual identification as required to facilitate installation access at the Russell-Knox Building, Quantico, VA. All personnel must be U.S. Citizens. NCIS will assist the contractor in obtaining installation access. Contractor(s) must supply full name to the NCIS Peer Support Manager (to be identified at time of award) at least five (5) business days prior to arrival.

The Contractor shall be a United States-based company, licensed, chartered, or incorporated in the United States.

All Contractor personnel shall be United States citizens and be capable of meeting minimum background checks prior to performance of the effort. Government personnel at NCIS HQ or other NCIS facility will facilitate in obtaining installation access. Contractor personnel must supply full name, personal identifiable information, contact phone numbers, and email addresses to the NCIS training academy at least five (5) business days prior to arrival in order for NCIS to conduct a background check and approve access to the NCIS site.

All access and documentation shall be returned to the Government at the completion of the support services or upon termination or resignation of employment. Compliance with all NCIS communication regulations pertaining to access to e-mail and Internet activities is mandatory, as applicable. Failure to comply with security requirements is grounds for termination.

9.1 The Contractor shall comply with the following:

NCIS – Peer Support Training and Consultation Services

- a. No employee or representative of the contractor will be admitted on site unless they furnish satisfactory proof of United States citizenship or, if an alien, that their residence and employment within the United States is legal.
- b. All Contractor employees must possess a valid picture identification card issued by a State or Federal agency.
- c. Contractor employees shall conduct themselves in a proper, efficient, courteous and business-like manner.
- d. Contractor employees entering NCIS sites shall comply with all security requirements in effect during the contract periods and shall be subject to such checks as may be deemed necessary. The Contractor should contact each installation prior to beginning work on-site to ensure the Contractor understands and can comply with individual installation security requirements.

10. NON-DISCLOSURE AGREEMENTS

All Contractor personnel will be required to sign non-disclosure agreements in order to protect the integrity of all operational information, processes, or solutions pertaining to NCIS, proprietary or sensitive information, materials, items provided, used, or accessed during this effort for the NCIS regardless of the information's underlying classification level.

To protect operational integrity, all Contractor personnel shall sign a binding Non-Disclosure Agreement (NDA) prior to commencement of work. This agreement shall legally obligate personnel to safeguard all mission-related information, including but not limited to, operational processes, proprietary data, and sensitive materials accessed during the execution of this contract, irrespective of classification level. Furthermore, the Contractor is expressly prohibited from using the Government's name, logos, or the nature of this engagement in any public announcements, marketing materials, or advertising without obtaining prior written authorization from the Government.

11. PRIVACY ACT

This effort may require that Contractor personnel have access to Privacy Information. In addition, personnel shall adhere to the Privacy Act, Title 5 of the U.S. Code, Section 552a and applicable agency rules and regulations. Contractor personnel will be expected to sign a Non-Disclosure Form, which will be provided to the Contracting Officer or the COR prior to commencing work. Contractor acknowledges that criminal penalties under section 1106(a) of the Social Security Act (42 USC 1306(a)), including possible imprisonment, may apply with respect to any disclosure of information in the file(s) that is inconsistent with the terms of the agreement. Contractor further acknowledges that criminal penalties under the Privacy Act (5 USC 552a(I)(3), as amended) may apply if NCIS determines Contractor, or any individual employed or affiliated therewith, knowingly and willfully obtained the file(s) or distributed information under false pretenses.
