Security Requirements

The Contracting Officer Representative (COR), Facility Security officer (FSO) and Certifying Official will execute a Visitor Group Security Agreement (VGSA) after the Contract is awarded.

All contractor personnel assigned to this contract shall be U.S. Citizens or U.S. Persons. The contractor shall comply with all appropriate Government security directives and regulations. In accordance with (IAW) Army Regulation and Air Force Instructions, all prospective contractors will undergo a verification process to determine the trustworthiness and suitability prior to being granted access to federal property. Limited access with escort may be granted (at the installation's discretion) for an interim period while investigations are being conducted. Security Managers will submit all background investigations on prospective contractors requiring CAC and/or network access. Contractor must ensure an owning relationship is established in the Defense Information System Security (DISS) for Contractors that require a Security Clearance with Eligibility/Access to Classified. The Government will take a Servicing Relationship in Defense Information System Security (DISS). Contractors with Common Access Card (CAC) requirement, the Government will take Owning Relationship and Contracting Company will take Servicing Relationship in Defense Information System Security (DISS).

The Contractor shall identify themselves as a Contractor employee when answering government telephones.
The Contractors government e-mail signature block shall include the word "contractor" and company name.

Government Issued Common Access Card (CAC)

The common access card (CAC) is the DOD personal identity verification credential. In order to receive a CAC, every employee must be investigated as part of the HSPD-12 process. The type of investigation used in compliance with HSPD-12 adjudications is the Tier 1 (TI), Equivalent or Higher investigation. The Tier 1 serves as the minimum type of investigation required to be issued a CAC and access to Limited Restricted Area as determined by Ft. Rucker, Garrison Security Office. The Contractor shall be responsible for notifying the Government when an employee departs so the CAC can be returned and inactivated by ACLC Security or Mission Partner Affiliation Sponsor (MPAS).

Threat Awareness and Reporting Program (TARP) now CAIR

BLOCK 14: As of 13 July 2025, Army Regulation 381-12 has been revised and are in effect. Threat Awareness and Reporting Program (TARP) has been replaced by Counterintelligence Awareness and Reporting (CIAR). There is no longer a requirement for CIAR training to be conducted in a live training session. DA personnel will complete "Counterintelligence Awareness and Reporting for DoD Employees" – <https://securityawareness.dcsa.mil/index.html> . This is still an annual requirement for all DoD employees and must be completed within 30 days of assignment or employment to an organization, and every 12 months thereafter.

iWATCH Training

The contractor and all associated sub-contractors shall brief all employees on the local iWATCH Program (training standards provided by ACLC Security Manager). This local developed training will be used to inform employees of the types of behavior to watch for and instruct employees to report suspicious activity to the ACLC Security Manager. This training shall be completed within 30 calendar days of new employees and annually thereafter.

Antiterrorism Force Protection Plan (AT/FP)

The Contractor shall comply with the Aviation Center Logistics Command's Antiterrorism Plan. Contractor shall implement changes in FPCON's and establish FPCON Measures as required during Fort Rucker Exercise and Non Exercise events in accordance with the Antiterrorism Plan. All Contractor personnel shall complete AT Level I Training within 30 calendar days of DAC, and annually thereafter. All newly hired Contractor personnel shall complete Annual AT Training Level 1 Training within 30 days and annually thereafter. Training is located at: <http://jko.jten.mil>.

OPSEC Awareness Training

OPSEC Plan shall include Contractor developed OPSEC Awareness Training. All Contractor personnel shall complete OPSEC Awareness Training within 90 calendar days of DAC, and annually thereafter. All newly hired Contractor personnel shall complete Annual OPSEC Awareness Training within 30 days.

National Crime Information Center (NCIC-III)

A records check through the National Crime Information Center (NCIC) Interstate Identification Index (III) is the Army minimum baseline background check for entrance onto Fort Rucker for non-DoD Identification holders that require Automated Installation (AIE) Contractor Identification Card for unescorted access. The Contractor shall have a program to recover and turn-in Government issued AIE Card

Contractor Identification Card upon termination of employment.

Controlled Unclassified Information (CUI) Requirements

The Controlled Unclassified Information marking is assigned to information at the time of its creation in a DOD User Agency. It is not authorized as a substitute for a security classification marking but it is used on official Government Information that may be withheld from the public under exemptions 2 through 9 of the Freedom of Information Act.

Other non-security markings such as "Limited Official Use" and "Official Use Only" are used by non-DOD User Agencies for the same type of information and should be safeguarded and handled in accordance with instructions received from such agencies.

Use of the above markings does not mean that the information cannot be released to the public, only that it must be reviewed by the Government prior to its release to determine whether a significant and legitimate Government purpose is served by withholding the information portions of it.

IDENTIFICATION MARKINGS:

At minimum, CUI markings for unclassified DoD documents will include the acronym "CUI" in the banner and footer of the document. In accordance with Part 2002 of Title 32, CFR, the CUI designation indicator must contain, at minimum, the name of the DoD Component determining that the information is CUI.

All document subjects and titles, as well as individual sections, parts, paragraphs, or similar portions of a CUI document known to contain CUI, will be portion marked with "(CUI)." Use of the unclassified marking "(U)" as a portion marking for unclassified information within CUI documents or Materials is required.

Any Controlled Unclassified Information" released to a contractor by a DOD User Agency is required to be marked with the following statement prior to transfer:

THIS DOCUMENT CONTAINS INFORMATION EXEMPT FROM MANDATORY DISCLOSURE UNDER THE FOIA.
EXEMPTIONS APPLY.

Removal of the Uncontrolled Unclassified Information marking can only be accomplished by the originator or other competent authority. When Uncontrolled Unclassified Information status is terminated, all known holders will be notified to the extent possible.

DISSEMINATION: Contractors may disseminate Controlled Unclassified Information to their employees and subcontractors who have a need for the information in connection with a classified contract.

STORAGE: During working hours Controlled Unclassified Information shall be placed in an out-of-sight location if the work area is accessible to persons who do not have a need for the information. During non-working hours, the information shall be stored to preclude unauthorized access. Filing such material with other unclassified records in unlocked files or desks is adequate when internal building security is provided during non-working hours. When such internal security control is not exercised, locked buildings or rooms will provide adequate after hours -protection or the material can be stored in locked receptacles such as file cabinets, desks or bookcases.

TRANSMISSION: Controlled Unclassified Information may be sent via first-class mail or parcel post. Bulky shipments may be sent fourth-class mail. Controlled Unclassified Information when sent via Government Email must be ENCRYPTED. Transmission via non Government Email is prohibited.

DISPOSITION: When no longer needed, Controlled Unclassified Information will be disposed of by shredding to preclude reconstructing and before placing in a recycling or trash container or as directed by the User Agency.

UNAUTHORIZED DISCLOSURE: Unauthorized disclosure of Controlled Unclassified Information does not constitute a security violation, but the releasing agency should be informed of any unauthorized disclosure. The unauthorized disclosure of FOUO information protected by the Privacy Act may result in criminal sanctions.

Point of contact is AMCOM Combined Logistics Command (S2), Security Manager: 334-255-1948.
