

SOURCES SOUGHT
ROADS, TRAILS, AND INFRASTRUCTURE REPAIR
CORALVILLE, SAYLORVILLE, AND RED ROCK LAKES, IOWA
BLANKET PURCHASE AGREEMENT (BPA) OR MULTIPLE AWARD TASK
ORDER CONTRACT (MATOC)

THIS IS A SOURCES SOUGHT AND IS FOR INFORMATIONAL/MARKET RESEARCH PURPOSES ONLY.

THIS IS NOT A REQUEST FOR PROPOSAL, QUOTATION OR BID, NOR A SYNOPSIS OF A PROPOSED CONTRACT ACTION UNDER FAR SUBPART 5.2.

The U.S. Army Corps of Engineers, Rock Island District, is seeking businesses that has the capabilities to support construction requirement for road, trail, and infrastructure repairs at Lake Red Rock, Coralville Lake, and Saylorville Lake in Iowa and would be interested in being issued a BPA or awarded a contract (MATOC) as part of a pool of contractors to do work at either location.

The Government welcomes industry input in the best way to support this critical requirement for a sustained period, at the highest standard, and for a reasonable price. While still being able to allow for competitive fair opportunity to all interested parties.

Please read the full work description.

NAICS CODE: 237310 Highway, Street, and Bridge Construction

SIZE STANDARD: \$45 Million

PSC: Z2QA – Repairs or alteration or restoration of real property (Public or Private)

This announcement is for information and planning purposes only and is not to be construed as a commitment by the Government, implied or otherwise, to issue a solicitation or make a contract award. NO AWARD will be made from this Sources Sought Notice. This is NOT a request for proposals, quotes or invitation for bid. The sole purpose of this notice is to identify potential System for Award Management (SAM) Database registered businesses that are interested in and capable of performing this work.

Companies interested in participating in a BPA or MATOC for this requirement in accordance with the Scope of Work (SOW) must provide capability statements to Contract Specialist, Stanley L. Bolton at stanley.l.bolton@usace.army.mil no later than the closing date of this sources sought.
