

Public Notice of Intent to Award a Sole Source Contract

Issuing Contracting Office:

U.S. Department of Health and Human Services (HHS)
Office of Mission Acquisition Solutions (OMAS)
5600 Fishers Lane, Rockville, MD 20857

Solicitation Number:

75N98026Q00096

NAICS Code:

811210, Electronic and Precision Equipment Repair and Maintenance

Description:

This constitutes a public notice of the Government's intent to award a sole-source, firm-fixed-price contract to Yokogawa Corporation of America for Services to Maintain and Provide Preventive Maintenance for the Government Owned Yokogawa CV8000 high-throughput Microscopy Systems:

- a. Yokogawa CV8000 high-throughput microscopy system, equipped with kinetics dispenser module (NIH property ID: 02115924, and Yokogawa Serial number: 95VC00053).
- b. Dell Precision 7920 Workstation (NIH property ID# 02176143).

Period of Performance:

The period of performance will be for twelve (12) months from the date of contract award.

Place of Performance:

National Institutes of Health (NIH), National Cancer Institute (NCI) in Bethesda, MD.

Authority:

This action is being conducted under the authority of FAR 13.106-1(b), which permits soliciting from a single source when the contracting officer determines that the circumstances of the contract action deem only one source is reasonably available.

Justification:

Market research has determined that Yokogawa Corporation of America is the Original Equipment Manufacturer (OEM) and the only source for maintenance, repairs, and technical support is provided by highly trained and qualified personnel with access to all the necessary tools and resources required to ensure the systems operate as intended. No other third-party vendors are authorized or equipped to provide the required services.

A Sources Sought Notice ID 75N98026Q00096 was posted to www.sam.gov for a period of 5 days. No additional responses were received.

Instructions to Respondents:

This notice is not a request for competitive proposals. However, all responsible sources may submit a capability statement demonstrating their ability to meet the requirement. A determination by the Government not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government.

Closing Response Date:

Capability statements must be submitted to the Point of Contact listed below and must be received by 12:00 PM EST on April 7, 2026.
