6a. AUTHORITY CITED

10 U.S.C. 3204(a)(1) as implemented in RFO FAR 6.103-1(b) Only one responsible source and no other services will satisfy agency requirements.

None.

8. CONTRACTING REQUIREMENTS

a. Efforts to Obtain Competition

None. There are no other SAM registered SBA small business certified oral surgeons located on St. Croix.

b. Actions to Increase Competition

None at this time. There is only one certified oral surgeon that services the region. While there are general dentistry offices on St. Croix, none are certified oral surgeons who can provide the full range of dental services for this requirement. The requiring activity shall check to see if any new oral surgeon offices have opened on the island each year when they request to exercise the option for this award. If a new oral surgeon office has opened, the requiring activity shall reach out to the office about getting registered in SAM.gov for future contract opportunities.
