

PERFORMANCE WORK STATEMENT (PWS)
Hillsborough County Schools
JCLC Camp Panther
8-12 June 2026

PART 1
GENERAL INFORMATION

1. **GENERAL:** This is a non-personal services contract to provide meals, lodging and facility usage for JROTC Cadet Leadership Challenge (JCLC) Camp Panther 2026 from 8-12 June 2026. The Government shall not exercise any supervision or control over the contract service providers performing the services herein. Such contract service providers shall be accountable solely to the Contractor who, in turn is responsible to the Government.

1.1. Description of Services/Introduction: The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to perform JROTC Cadet Leadership Challenge (JCLC) Panther 2026, as defined in this Performance Work Statement. The contractor shall meet the standards in this contract.

1.2. Background: Cadet Command Regulation (CCR) 145-2 provides the guidelines for the training of the Junior Reserve Officers Training Corp (JROTC) Program and requires each JROTC unit to annually conduct a JCLC. The JCLC Camp Panther 2026 is to be in Camp Flaming Arrow, at Lake Wales, Fl. The site must have the capability to provide lodging, food service, transportation, medical support with facilities as well as 3-mile running route and other areas required to support the JCLC. The contractor shall provide all personnel, equipment, supplies, lodging, facilities, tools, materials, supervision, meal services, furniture, 12 gas operated golf carts with fuel, and all requirements shall be co-located. The contractor shall provide services in accordance with the terms, conditions and specifications set forth in the Performance Work Statement (PWS), Tower for Rappelling, Land Navigation Course 2.0 mile by 2.0-mile, COPE course (high and low ropes), Rope Bridge Course, Water Safety, a swimming pool, lake, and canoeing with lifeguards. Training categories include required, integrated, and organized activities with designated fields. The contractor shall perform to the standards in this contract. The golf carts will be operated by Cadre.

1.3. Objectives: The Army JROTC program has an annual training requirement which the contractor provides all associated support requirements for Camp Panther. The contractor provides trained staff to conduct training, lodging for cadets and cadre, dining facility, and training areas for orienteering, archery and other JCLC related events.

1.3.1. Provide meals for 400 Cadets and 70 Cadre beginning at lunch on 8 June 2026 and ending with lunch on 12 June 2026.

1.3.2. Provide lodging for 400 Cadets and 70 Cadre from 8-12 June 2026.

1.3.3. Provide all training facilities and staff to support all events per the training schedule.

1.3.4. Provide JROTC Cadets an opportunity to practice leadership skills in an unfamiliar environment.

1.3.5. Allow JROTC Cadets to participate in citizenship building exercises along with STEM.

1.3.6. Provide JROTC Cadets with an opportunity to experience living and interacting with their peers from other units in a military setting.

1.3.7. Instruct leadership-type skills to JROTC Cadets in a “hands-on” military type environment.

1.3.8. Provide an opportunity to participate in adventure training not available to JROTC Cadets.

1.3.9. Provide JROTC Cadets with an opportunity to have fun and take advantage of recreational facilities available on site.

1.4. Scope: The contractor shall furnish facilities, furniture, equipment, supplies, management, supervision, and labor to provide lodging accommodations, as specified herein, for JCLC Camp Panther from 8-12 June 2026 to provide 400 JROTC Cadets and 70 Cadre from 19 high schools with services necessary to complete the JCLC. The contractor shall provide services in accordance with the terms, conditions and specifications set forth in this PWS.

1.5. RESERVED

1.6. General Information

1.6.1. Quality Control (QC): The contractor shall develop and maintain an effective quality control program to ensure services are performed in accordance with this PWS. The contractor shall develop and implement procedures to identify, prevent, and ensure non-recurrence of defective services. The contractor’s quality control program is the means by which the contractor assures that work complies with the requirement of the contract. Within 30 days after contract award, a comprehensive written QCP shall be submitted to the KO and COR within 5 working days when changes are made thereafter. After acceptance of the quality control plan the contractor shall receive the contracting officer’s acceptance in writing of any proposed change to the QC system.

1.6.2. Quality Assurance: The government shall evaluate the contractor’s performance under this contract in accordance with the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government must do to ensure that the contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the minimum acceptable defect rate(s).

1.6.3. Recognized Holidays:

1.6.4. Hours of Operation: The contractor shall conduct business between the hours of 5:30am Eastern Standard Time (EST) to 10:00 (EST) hours daily except on day 1, Monday, 8 June 2026, begin at 8:00am (EST) and on the last day, day 5, Friday, 12 June 2026, ending at 2:00pm (EST). The Contractor must always maintain an adequate workforce for the uninterrupted performance of all

tasks defined within this PWS. When hiring personnel, the Contractor shall keep in mind that the stability and continuity of the workforce are essential.

1.6.5. Place of Performance: The work to be performed under this contract will be performed at Lake Wales, Florida at the vendor's location. The place of performance must be within a center point for the 19 schools that will travel from 4 cardinal points and close enough as to not to increase the cost of bus travel that would warrant a contract through GOPAX.

1.6.6. Type of Contract: The government will award a firm fixed price (FFP) service contract.

1.6.7. Security Requirements: RESERVED

1.6.7.1. PHYSICAL Security: RESERVED

1.6.8. Special Qualifications: RESERVED.

1.6.9. Post Award Conference/Periodic Progress Meetings: The Contractor agrees to attend any post award conference convened by the contracting activity or contract administration office in accordance with Federal Acquisition Regulation Subpart 42.5. The contracting officer, Contracting Officers Representative, and other Government personnel, as appropriate, may meet periodically with the contractor to review the contractor's performance. At these meetings the contracting officer will appraise the contractor of how the government views the contractor's performance and the contractor will appraise the Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the government.

1.6.10. Contracting Officer Representative (COR): The COR will be identified by separate letter. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract; perform inspections necessary in connection with contract performance; maintain written and oral communications with the Contractor concerning technical aspects of the contract; issue written interpretations of technical requirements, including Government drawings, designs, specifications; monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies; coordinate availability of government furnished property, and provide site entry of Contractor personnel. A letter of designation issued to the COR, a copy of which is sent to the Contractor, states the responsibilities and limitations of the COR, especially in regard to changes in cost or price, estimates or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order.

1.6.11. Key Personnel: The contractor shall provide a contract manager who shall be responsible for the performance of the work. The name of this person and an alternate who shall act for the contractor when the manager is absent shall be designated in writing to the contracting officer. The contract manager or alternate shall have full authority to act for the contractor on all contract matters relating to daily operation of this contract. The contract manager or alternate shall be available between 6:00am (EST) to 6:00pm (EST) Monday through Friday, 8-12 Jun 2026.

1.6.12. Organizational Conflict of Interest: Contractor and subcontractor personnel performing work under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications or work statements, etc.) or perform evaluation services which may create a current or subsequent Organizational Conflict of Interests (OCI) as defined in FAR Subpart 9.5. The Contractor shall notify the Contracting Officer immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the Contracting Officer to avoid or mitigate any such OCI. The Contractor's mitigation plan will be determined to be acceptable solely at the discretion of the Contracting Officer and in the event the Contracting Officer unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the Contracting Officer may affect other remedies as he or she deems necessary, including prohibiting the Contractor from participation in subsequent contracted requirements which may be affected by the OCI.
