Capabilities Statement Requirements

The FAA seeks specific information from interested vendors as to their ability to meet the requirements of the draft Statement of Work (SOW). In this regard, each interested vendor shall submit a Capabilities Statement that provides the following information:

1. Experience as a prime contractor providing services similar in nature to the services described in the draft SOW with:
 - (a) Completed and Billed Services which:
 - (i) Total at least \$80,000,000.00 annually over the four (4) years immediately preceding November 31, 2025; and
 - (ii) Include labor hours of your company's personnel of more than 600,000 annually over the four (4) years immediately preceding November 31, 2025; and
 - (b) With at least 100 task orders that are geographically dispersed throughout the United States and its Territories. Information submitted should include a list of qualifying contracts that includes customer name, description of services, contract amount, service locations, contract date and term, and customer contact information.
2. Description of your company's specific experience as a prime contractor in each of the areas described in Mission Pillars and Functional Work Areas (C.3) of the draft SOW. Information submitted should include a list of not more than three (3) qualifying contracts for each area that includes customer name, description of services, contract amount, service locations, contract date and term, and customer contact information. Such information should include a brief discussion of the extent to which your company's experience under the identified contracts is similar to such areas as described in the draft SOW.

Experience must be:

 - i. Recent – within the last 3-5 years
 - ii. Relevant – of similar complexity, magnitude, and nature of work as stated in the draft SOW
3. Your company's current office locations within the United States, including all offices of any type (management, engineering, design, field, site, etc.). **Geographical Presence:** The firm must identify the cities where they have a current physical presence or physical presence within 50 miles of the city where the districts office is. (Provide location address or work location and description) (See attached, Attachment 3, Geographical Presence Questionnaire).

4. Check your ability to support the Mission Pillars as stated in SOW:
 - Mission Safety
 - Mission Execution, Operations/engineering
 - Mission Management, Infrastructure
5. Brief description of your management organization used to implement the experience you describe in your Capabilities Statement.
6. For the listed qualifying contracts, indicate the percentage of work performed by subcontractors (with respect to both total contract value and total number of contract labor hours).

Capabilities Statements must be submitted as Portable Document Format (PDF) files not to exceed five (5) 8 ½" x 11" pages (12 point, Times New Roman font, 1 inch margins) in length, but may be accompanied by a Letter of Transmittal not to exceed one (1) 8 ½" x 11" page in length.

All proprietary information will be treated as such. Therefore, respondents should identify any proprietary information in responses.
