

VA Medical/Surgical Prime Vendor (MSPV) Make PPE in America Industry Day Announcement

The Department of Veterans Affairs (VA) is excited to announce the upcoming MSPV Make PPE in America Industry Day on May 12, 2026. This event is intended to bring together suppliers, manufacturers, and industry stakeholders involved in the production and distribution of Personal Protective Equipment (PPE) to support the VA's Medical/Surgical Prime Vendor Program. Our goal is to foster collaboration, share valuable insights, and enhance the procurement and supply chain processes for PPE necessary to serve our veterans and healthcare providers effectively.

This event will be held in conjunction with the Coalition for Government Procurement (CGP) Spring Training Conference, which will take place on May 13–14, 2026, at the same venue. Attendees interested in participating in the CGP Spring Training Conference can find more details and register below.

* ***Personal protective equipment***, as applied to this Industry Day announcement, means surgical masks, N95 masks, respirator non-surgical masks and powered air purifying respirators and required filters, face shields and protective eyewear, disposable and reusable surgical and isolation gowns, head and foot coverings, and other gear or clothing used to protect an individual from the transmission of disease. **All items must be in compliance with the “Infrastructure Investment and Jobs Act” (IIJA) PL 117-58, and the “Make Personal Protective Equipment (PPE) in America Act”. Additionally, this Industry Day event will exclude gloves. Additionally, any information from industry awareness for specific PPE items that may have no compliant items available is welcome.**

** Representatives will be available from the CGP to register for their Spring Training Conference during the Industry Day event.

VA's MSPV Program is looking for:

- PPE Manufacturers and Suppliers
- PPE Medical/Surgical Product Distributors
- Industry Stakeholders
- Supply Chain Management Professionals

Why attend the Make PPE in America Industry Day?

- Understand the VA's MSPV Program and its impact on PPE procurement.
- Learn about the VA's current and future PPE requirements.
- Network with key VA officials and industry leaders.
- Gain insights into the VA's procurement processes and opportunities.
- Showcase your innovative PPE products and solutions.

We look forward to your participation in this informative and engaging event as we work together to ensure the safety and well-being of our veterans and healthcare providers.
