

Introduction

The NATO Communications and Information Agency (NCIA) hereby notifies the following Procurement Opportunity in accordance with the Procedure for NATO Competitive Procurement ([link](#)). This notification is issued to foster open and fair competition among eligible vendors from participating nations. This notification does not constitute a commitment to award a contract.

Vendors are invited to review the requirements described herein and to submit their bids in accordance with the instructions provided in this notification and subsequent solicitation documentation. All interested vendors are reminded that timely registration and compliance with eligibility requirements are essential, as deadlines for submission may not be extended. Vendors are advised to regularly check for updates to this notification.

This opportunity reflects NATO's commitment to transparency, equal treatment of suppliers, and the efficient delivery of goods, works, and services in support of NATO missions and participating nations.

All eligible and responsible sources may submit a quotation, bid, or proposal, which shall be considered by the NCIA.

3. Vendor Eligibility

- a. The Solicitation will be done through a competition limited to BOA holders.
- b. Additionally, participation in this Procurement Opportunity is open to vendors nominated by participating nations to be indicated in the solicitation documents. Vendors from non-participating nations are not eligible to serve as prime contractors or sub-contractors.

4. Access to Solicitation Documentation

- a. Interested vendors may participate to and access the solicitation documentation for this Procurement Opportunity as of the Anticipated Solicitation Release Date as follows:
 - i. Indicating your interest by emailing the Point of Contact listed above to request being added to the bidder's list and receive the solicitation (no Declaration of Eligibility (DoE) required).
 - i. Obtaining a Declaration of Eligibility (DoE) through the Vendor's National Authorities to be included in the Bidder's List.
 - ii. To participate should the solicitation be issued, prospective Bidders must hold a valid DoE issued by their National Delegation to NATO.
 - iii. A template of the DoE is provided in the Annex to this NPO for reference and completion. The prospective Bidder is responsible for arranging for their National

Delegation to complete the form and to transmit the signed DoE directly to the Point of Contact (PoC) identified in this NPO.

- iv. Prospective Bidders are advised to initiate this process early, as NCIA cannot request or obtain a DoE on behalf of a prospective Bidder. Failure to ensure that a valid DoE has been received by the PoC may result in exclusion from the solicitation process.
