

Market Survey for Janitorial Services for Multiple Locations in NH and MA

The Federal Aviation Administration is conducting a Market Survey to improve the Government's understanding of the current marketplace and to identify capable sources. Interested sources must respond with information to confirm evidence of their qualifications and capabilities. Responses to this market survey will be used to determine if there is adequate competition to set the requirement aside for Small Business competition.

This survey is being conducted in accordance with the FAA Acquisition Management System (AMS) Section 3.2.1.2.1. This survey will support market research obtained from multiple sources and will be utilized for planning purposes only.

THIS IS NOT A REQUEST FOR PROPOSALS OR OFFERS. A SIR/Request for Proposal may be made under a separate announcement in the future. The FAA is not seeking or accepting unsolicited proposals. The FAA will not pay for any information received or costs incurred in preparing vendor responses to this market survey. Therefore, any cost associated with a market survey submission is solely at the interested vendor's expense.

Note: The FAR references cited in SAM.gov are not applicable to the Federal Aviation Administration (FAA) as the FAA has its own policies and guidance referenced in the Acquisition Management System (AMS). You can learn more about the FAA's acquisition process at the following link:

https://fast.faa.gov/PPG_Procurement.cfm

Anticipated Period of Performance: The period of performance is anticipated to be from 10/01/2026 thru 09/30/2031 for one base year and four options. (Subject to change at the discretion of the Government; please note multiple period of performance dates differ by location to allow transition of all locations.)

General Scope of Work:

The contractor must provide all personnel, equipment, tools, materials, supervision, and services necessary to perform Janitorial services as specified herein the attached draft Statement of Work for the following Federal Aviation Administration (FAA) Facilities

The contemplated NAICS code is 561720, Janitorial Services and the size standard is \$22 million.

Responses to this market survey:

Interested vendors having capabilities necessary to meet or exceed the requirements in accordance with the attached draft Statement of Work are invited to provide a Capability Statement to contribute to this market survey including commercial market information and company information.

All responses to this Market Survey must be received no later than 04/15/2026 at 3:00 PM ET via email to Stephanie Pfeiff at stephanie.pfeiff@faa.gov. Include the Notice ID (697DCK-26-RFI-MHT) in the subject line of the email.

The submitted Capability Statement must include the following information:

1. Company name, address, phone, email address, and point of contact
2. Company UEI
3. Business size status: 8(a), Small Business, SDVOSB, etc.
4. Verification of active registration in the System for Award Management Database (SAM)
5. Capability Statement not to exceed two (2) pages to include the company's experience, knowledge, and past performance history related to janitorial services. Font shall not be smaller than 12-point. The capability statement should address the following items:
 - a) Capability of contractor to have sufficient experience, expertise, insurance and certifications to provide janitorial services for ALL facilities listed above.
 - b) Evidence of current and/or past experience in work similar in type and scope to include contract numbers, project titles, and dollar amounts, points of contact and phone numbers.

Questions regarding this Market Survey may be emailed to Stephanie Pfeiff stephanie.pfeiff@faa.gov.
