Factor I - Facilities Clearance (PWS Section 10.7): The solicitation requires offerors to possess an active Top Secret Facilities Clearance (FCL) at the time of proposal submission. Our company does not currently hold a Top Secret FCL; however, all proposed key personnel possess active Top Secret security clearances.

- a) Would the Government consider a proposal from a qualified SDVOSB offeror that demonstrates: (a) all proposed personnel hold active TS clearances at or above the required level; (b) a viable facility security plan, including access to an existing cleared facility or SCIF lease arrangement; and (c) a documented plan and timeline to obtain a Facility Clearance through DCSA sponsorship, with the understanding that the FCL would be in place prior to the commencement of the performance period on 16 May 2026?
