(U) Request for Information

(U) Agency: Department of the Air Force, Office: Air Force Material Command

(U) Location: AFLCMC-Air Force Life Cycle Management Center

(U) Purpose:

(U) THIS IS A REQUEST FOR INFORMATION (RFI) ONLY. This RFI is issued solely for informational and planning purposes – it does not constitute a Request for Proposal (RFP) or a promise to issue an RFP in the future. This request for information does not commit the USG to contract for any supply or service whatsoever. Further, the US Air Force is not at this time seeking proposals and will not accept unsolicited proposals. Industry is advised that the USG will not pay for any information or administrative costs incurred from this RFI. Not reviewing this RFI does not preclude participation in any future RFP, if issued. If a solicitation is released, it will be synopsized on the Sam.gov website. It is the responsibility of the potential offerors to monitor this site for additional information pertaining to this requirement.

(U) Executive Summary

(U) The Advanced Propulsion Acquisition Contract (APAC) MAC Indefinite Delivery Indefinite Quantity (IDIQ) Contract is designed to provide the Air Force Life Cycle Management Center Propulsion Directorate (AFLCMC/LP) with the capacity to: a) rapidly develop technologies for novel propulsion capabilities, b) implement unique solutions and innovative ideas, c) advance new technologies and system concepts that provide evolutionary, revolutionary, and disruptive capabilities for the United States Air Force and strategic partners, and d) enables a rapid response applicable to all areas and lifecycle phases of propulsion development including technology maturation, concept development, concept demonstrations, integration, procurement, production, fielding, operations, and sustainment to quickly meet current and future propulsion system requirements, while maximizing the use of the digital environment.

(U) This RFI is to foster open communication about the USG's future APAC MAC IDIQ RFP and to aid industry partners in their planning.

(U) The USG is targeting the first quarter of 2026 for the release of the final RFP, though timelines are subject to change. The USG anticipates providing industry partners 30 days for proposal development.

(U) Instructions:

(U) Please review the Draft RFP package intended for industry partner situational awareness only.

(U) The USG is NOT soliciting questions, comments, or concerns regarding the APAC MAC IDIQ Draft RFP documentation at this time.
