Sources Sought Notice

DESCRIPTION

Exam Chairs

THIS IS A REQUEST FOR INFORMATION (RFI) / SOURCES SOUGHT NOTICE ONLY. This is not a solicitation for bids, proposals, proposals abstracts, or quotations. The purpose of this RFI/Sources Sought Notice is for market research purposes only, to obtain information in regards availability of specified products, services, or a combination of both products and services, and to identify potential sources capable of providing products or performing services in accordance with the requirements below. Responses to this notice will be used by the Government to make appropriate acquisition decisions.

DISCLAIMER: This RFI/Sources Sought Notice is issued solely for information and planning purposes only and does not constitute a solicitation. All information received in response to this RFI/Sources Sought Notice that is marked as proprietary will be handled accordingly. Responses to this notice are not offers and cannot be accepted by the Government to form a binding contract. Responders are solely responsible for all expenses associated with responding to this RFI.

If a solicitation is issued it shall be announced at a later date and all interested parties must respond to that solicitation announcement separately from the response to this RFI/Sources sought notice. Responses to this sources sought notice are not a request to be added to a prospective bidders list or to receive a copy of the solicitation.

Submission of price, delivery, other market information, or capabilities for planning purposes are authorized. However, responses to these notices are not offers and cannot be accepted by the Government to form a binding contract IAW FAR 15.201(e).

RESPONSES TO THIS NOTICE:

Responses to this notice must be submitted to Ronald Castle via email at ronald.castle@va.gov. Telephone responses shall not be accepted.

Responses must be received no later than March 23, 2026, at 08:00 CST.

BASED ON THE BELOW REQUIREMENT PLEASE PROVIDE RESPONSES TO THE FOLLOWING:

A. RESPONSES FOR ALL REQUIREMENT TYPES:

1. Company Name:
2. Company Address:
3. SAMS UEI:
4. Company POC:
5. Phone Number:

SOURCES SOUGHT NOTICE

REQUEST FOR INFORMATION (RFI)/SOURCES SOUGHT

2	626-005 626	Barrier Free Examination Chair W/Clean Assist Roller System, Digital Scale, Receptacles, Drawer Heater, Pelvic Tilt, Wired Controls w/o Top	59
3	9A600002	9A600002 Patient Support Rails	59

Warranty

- Warranty – The system, all accessories, and all software shall be covered under the manufacturer's warranty and shall include all parts and labor for at least one year following acceptance by the VAMC.
 - A manufacturer's factory-trained Field Service Engineer shall perform installation and maintenance during the warranty period.
 - The warranty period shall not begin until after the VA Saint Louis Biomedical Engineering POC has accepted the products delivery, installation, and functionality.
 - The warranty shall include all manufacturer recommended Preventive Maintenance procedures for its duration.
 - All available software updates and security patches will be made available to the VA Saint Louis during the warranty period.
 - Vendor shall provide response to applications and technical calls within 8 hours.
 - Vendor shall ship replacement parts within 48 hours of identifying necessity by VA Saint Louis Biomedical Engineering staff.

Other Features

Value added features in the vendor's proposal that will be considered include but are not limited to:

- Options for Trade-in of existing equipment shall be proposed in bid package – Removal of old exam chairs

SOURCES SOUGHT NOTICE

REQUEST FOR INFORMATION (RFI)/SOURCES SOUGHT

- Extended Warranty options shall be outlined in bid package

Hours of Operation

- Normal hours of coverage are Monday through Friday, 7:00 AM to 4:00 PM Central Standard Time excluding national holidays.
- Vendor on-site visits will be coordinated with the VA Saint Louis Biomedical Engineering POC before being scheduled or conducted.
- Vendor representatives will check in with the VA Saint Louis Biomedical Engineering POC when they arrive on-site and check out upon completion of work each day.
- All services shall be performed during normal hours unless otherwise scheduled with the VA Saint Louis Biomedical Engineering POC.
- Vendor staff shall always be professional and shall take all necessary precautions to maintain a safe environment for the occupants. This includes, as necessary, coordinating access and closures for sensitive areas of the Medical Center.
- Vendor shall be responsible for cleaning all work areas after completion of tasks. This includes removal of packaging and a clean sweep/mop of the area as required by work type.

Note: Hardware/software update/upgrade installations, where applicable, may be scheduled and performed outside normal hours of coverage at no additional charge to the Government (unless it would be detrimental to equipment up-time; to be determined by the VA Saint Louis Biomedical Engineering POC).

Federal Holidays observed by VA Saint Louis are:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
President's Day	Veterans' Day
Memorial Day	Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	

Delivery

- Vendor shall deliver purchased equipment within 90 business days of receiving completed Contracting package from the VISN 15 Contracting Officer. If delivery delays occur vendor shall notify the Contracting Officer and the VA Saint Louis Biomedical Engineering POC.
- Delivery will be to John Cochran VA Saint Louis Health Care System main campus. Vendor shall coordinate exact delivery location with the Contracting Officer and VA Saint Louis Biomedical Engineering POC at the time of the purchase.
- Vendor will ensure that equipment is sent to the Attention of Biomedical Engineering and will include the VA Saint Louis PO Number on the shipping label.
- Delivery of oversized, palletized orders or orders that contain a large number of components will be coordinated with VA Saint Louis Biomedical Engineering POC who will communicate internally with Warehouse Staff.
