

RADIOGRAPHY OPERATIONS PLANNING WORK SHEET**A. General Information**

1. Prime Contractor Name: _____
2. Sub-Contractor Name (if applicable): _____
3. Proposed Date(s) of Planned Radiography: _____

B. Transportation and vehicle Information

1. Manufacturer: _____
2. Model: _____
3. License Plate Number: _____
4. Sign on Vehicle: _____
5. Driver's Name: _____
6. Passengers: _____
7. Location of Radiography site (ship, building, pier): _____
8. Transportation Route to be taken to and from work site while on base: _____

C. If conducting gamma radiography complete the following:

1. Radioisotope: _____ Serial Number: _____
2. Activity: _____ Date of Determination of Activity: _____
3. Collimator Serial Number: _____
4. Half Value Thickness: _____

D. If conducting x-ray radiography complete the following:

1. Machine Manufacturer: _____
2. Serial Number: _____
3. Maximum kVp: _____
4. Maximum mA: _____
5. Total Number of Exposures: _____
6. Direction of Beam: _____

E. Provide a diagram of the work site that illustrates:

1. The location of the radiography, including major features such as walls, bulkheads, tanks, walkways or passageways that may provide shielding or difficulty in controlling the area.
2. The location of the exposure device drive cable, guide tube, and end stop if using gamma radiography equipment, or the location of the tube head and control panel if conducting x-ray radiography.
3. The location of the 2 mr/hr (0.02 mSv/hr) controlled boundary.

4. The closest distance that workers are allowed to the x-ray tube head or gamma radiography source as specified in "Ordinance on Prevention of Ionizing Radiation Hazards, Ministry of Labor Ordinance No. 41 of 30 September 1972 and as amended by the Ministry of Health, Labor, and Welfare Ordinance No. 172 of 16 July 2001.

F. Provide the calculations for the 2 mr/hr (**0.02** mSv/hr) controlled boundary from the distance from the gamma radiography source, or the x-ray machine tube head, to the location where the boundary **shall** be established.

G. Review/Approval:

Contractor's Radiographer: _____

Name

Signature

Date: _____

SRF-JRMC RSO (**the SRF's RSO**) Approval:

Name

Signature

Date: _____
