

The Department of War Information Activity (DWIA) intends to execute a modification to contract HQ0516-21-C-0003 with Taft Broadcasting Company, L.L.C., to provide uninterrupted support for live and pre-recorded television, radio, and web-based programming for the American Forces Network (AFN). This modification will be for a six-month extension in accordance with FAR 52.217-8 Option to Extend the Term of the Contract with a period of performance of 01 April 2026 – 30 September 2026. The regulatory authority which permits this single source procurement is Federal Acquisition Regulation (FAR) 6.302-1 “Only one responsible source and no other supplies or services will satisfy agency requirements”. This authority is supported by an approved Justification and Approval. The North American Industry Classification System (NAICS) is 516210, Television Broadcasting Networks. The anticipated modification date is 19 March 2026. This action is to acquire broadcast operation support services for the American Forces Network Broadcast Center’s (AFN-BC) suite of 24/7 television channels. The services require management and technical personnel to provide daily TV Traffic and Programming Products to support television broadcast operations from the AFN-BC. Critical performance requirements include sensitive media handling, speed, accuracy and performance that adhere to DoD and broadcast industry standards.
