

Seattle Sentinel Industry Days

South Seattle College (Main Campus-Brockey Center)

13 JAN 2026, 0900-1300PST

Purpose

Seattle Sentinel Industry Days provides representatives of the U.S. Air Force (including the Sentinel Program Office and Air Force Nuclear Weapons Center), the U.S. Army Corps of Engineers, major subcontractors, construction and engineering firms, and industry partners an opportunity to engage directly in delivering Sentinel projects at MAFB. This fosters collaboration, shares insights on design and acquisition strategies, addresses infrastructure modernization challenges, and improves overall project success.

Desired Outcomes

1. *Strengthen partnerships — Build and maintain trusted, collaborative relationships among the U.S. Air Force, U.S. Army Corps of Engineers, subcontractors, construction firms, and industry partners.*
2. *Enhance biddability & constructability — Gather focused industry feedback on designs, acquisition strategies, and ground segment plans to refine requirements and minimize risks.*
3. *Improve cost & schedule — Develop practical solutions to control costs and improve schedule.*
4. *Promote innovation & risk reduction — Capture innovative construction techniques and risk-mitigation ideas to simplify and strengthen ground segment modernization.*

Rules of Engagement

- *Respect — Communicate professionally and respectfully*
- *Participation — Take this opportunity to share your thoughts*
- *Exchanges during this event are considered informational only and are subject to change throughout the acquisition process/phases. Formalized information will be provided with any future Requests for Proposal (RFP)/Solicitation issuance.*
- *Recording/Photography of this event is strictly prohibited.*
- *Attendee list and slide deck will be provided via Sam.gov notice following this event.*
- *Please hold your questions until the end of the presentation.*
