ELECTRONIC INVOICE SUBMISSION

Electronic Invoice Submission for Payment of Direct Procurement Method (DPM) Services for Personal Property Moves

1. DFARS 252.232-7003 requires electronic submission of payment requests. The Defense Finance and Accounting Service is required to enforce the mandatory requirement for electronic submission of invoices for all packing, crating, and storage contracts for personal property services.
2. USTRANSCOM has announced the capability for DPM contractors to electronically submit invoices for payment as part of the continuous reengineering effort of the Defense Personal Property Program.
3. This message serves as official notification to contractors providing DPM services for DoD-sponsored shipments of the mandatory requirement to electronically invoice and receive payment for DPM services via the DoD-approved Third Party Payment System (TPPS).
4. Awarded Contractor will need to work with US Bank to setup their partnership. Once the process is started, your DPM invoices will not be allowed to be submitted manually. If the partnership agreement with US Bank is delayed, it could delay your electronic payments.
5. DPM contractors who provide services for personal property moves will enjoy the same benefits as the current household goods and Non temporary Storage Transportation Service Providers via TPPS. These benefits include among others: electronic invoice submission, accelerated payments on an average of 3 days, and online visibility of invoice status.
6. The current TPPS provider is US Bank. A representative from US Bank will be contacting eligible DoD-approved DPM contractors in the near future to coordinate partnership terms, system access and required system training.
7. US Bank will impose a surcharge (currently 1.3%, but no more than 2%) for processing DPM invoices. There will be future correspondence addressing this change to the program and providing DPM contractors the opportunity to modify their rates, if necessary, to compensate for the US Bank surcharge.
8. POC for this action is USTRANSCOM Personal Property Branch, TCJ4-H (618) 220-5441 or usarmy.scott.sddc.mbx.ppty@mail.mil.

INFORMATION REGARDING RESPONSIBILITY MATTERS (FEB 2026)

(a) *Definitions.* As used in this provision-

Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (*e.g.*, Securities and Exchange Commission Administrative Proceedings, Civilian Board of Contract Appeals Proceedings, and Armed Services Board of Contract Appeals Proceedings). This includes administrative proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include agency actions such as contract audits, site visits, corrective plans, or inspection of deliverables.

Federal contracts and grants with total value greater than \$10,000,000 means-

(1) The total value of all current, active contracts and grants, including all priced options; and

(2) The total value of all current, active orders including all priced options under indefinite-delivery, indefinite-quantity, 8(a), or requirements contracts (including task and delivery and multiple-award Schedules).

Principal means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (*e.g.*, general manager; plant manager; head of a division or business segment; and similar positions).

(b) The offeror ☐ has ☐ does not have current active Federal contracts and grants with total value greater than \$10,000,000.

(c) If the offeror checked "has" in paragraph (b) of this provision, the offeror represents, by submission of this offer, that the information it has entered in the Federal Awardee Performance and Integrity Information System (FAPIIS) is current, accurate, and complete as of the date of submission of this offer with regard to the following information:

(1) Whether the offeror, and/or any of its principals, has or has not, within the last five years, in connection with the award to or performance by the offeror of a Federal contract or grant, been the subject of a proceeding, at the Federal or State level that resulted in any of the following dispositions:

(i) In a criminal proceeding, a conviction.

(ii) In a civil proceeding, a finding of fault and liability that results in the payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more.

(iii) In an administrative proceeding, a finding of fault and liability that results in-

(A) The payment of a monetary fine or penalty of \$5,000 or more; or

(B) The payment of a reimbursement, restitution, or damages in excess of \$100,000.

(iv) In a criminal, civil, or administrative proceeding, a disposition of the matter by consent or compromise with an acknowledgment of fault by the Contractor if the proceeding could have led to any of the outcomes specified in paragraphs (c)(1)(i), (c)(1)(ii), or (c)(1)(iii) of this provision.

(2) If the offeror has been involved in the last five years in any of the occurrences listed in (c)(1) of this provision, whether the offeror has provided the requested information with regard to each occurrence.

(d) The offeror shall post the information in paragraphs (c)(1)(i) through (c)(1)(iv) of this provision in FAPIIS as required through maintaining an active registration in the System for Award Management, which can be accessed via <https://www.sam.gov> (see 52.204-7).

52.212-1 Instructions to Offerors-Commercial Products and Commercial Services.

(Sep 2023)

INSTRUCTIONS TO OFFERORS-COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (SEP 2023)

(a) *North American Industry Classification System (NAICS) code and small business size standard.* The NAICS code(s) and small business size standard(s) for this acquisition appear elsewhere in the solicitation. However, the small business size standard for a concern that submits an offer, other than on a construction or service acquisition, but proposes to furnish an end item that it did not itself manufacture, process, or produce is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

(1) Is set aside for small business and has a value above the simplified acquisition threshold;

(2) Uses the HUBZone price evaluation preference regardless of dollar value, unless the offeror waives the price evaluation preference; or

(3) Is an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(b) *Submission of offers.* Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show-

(1) The solicitation number;

(2) The time specified in the solicitation for receipt of offers;

(3) The name, address, and telephone number of the offeror;

(4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

(5) Terms of any express warranty;

(6) Price and any discount terms;

(7) "Remit to" address, if different than mailing address;

(8) A completed copy of the representations and certifications at Federal Acquisition Regulation (FAR) 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);

(9) Acknowledgment of Solicitation Amendments;

(10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and

(11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) *Product samples.* When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions, including alternative line items (provided that the alternative line items are consistent with FAR subpart 4.10), or alternative commercial products or commercial services for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)

(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and-

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards*. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) Availability of requirements documents cited in the solicitation.

(1)

(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101-29, and copies of Federal specifications, standards, and product descriptions can be downloaded from the ASSIST website at <https://assist.dla.mil>.

(ii) If the General Services Administration, Department of Agriculture, or Department of Veterans Affairs issued this solicitation, a copy of specifications, standards, and commercial item descriptions cited in this solicitation may be obtained from the address in paragraph (i)(1)(i) of this provision.

(2) Most unclassified Defense specifications and standards may be downloaded from the ASSIST website at <https://assist.dla.mil>.

(3) Defense documents not available from the ASSIST website may be requested from the Defense Standardization Program Office by-

(i) Using the ASSIST feedback module (<https://assist.dla.mil/feedback>); or

(ii) Contacting the Defense Standardization Program Office by telephone at 571-767-6688 or email at assisthelp@dlamail.

(4) Nongovernment (voluntary) standards must be obtained from the organization responsible for their preparation, publication, or maintenance.

(j) *Unique entity identifier*. (Applies to all offers that exceed the micro-purchase threshold, and offers at or below the micro-purchase threshold if the solicitation requires the Contractor to be registered in the System for Award Management (SAM).) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "Unique Entity Identifier" followed by the unique entity identifier that identifies the Offeror's name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-

character suffix to the unique entity identifier. The suffix is assigned at the discretion of the Offeror to establish additional SAM records for identifying alternative EFT accounts (see FAR subpart 32.11) for the same entity. If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at www.sam.gov for establishing the unique entity identifier.

(k) [Reserved]

(l) *Debriefing*. If a post-award debriefing is given to requesting offerors, the Government shall disclose the following information, if applicable:

- (1) The agency's evaluation of the significant weak or deficient factors in the debriefed offeror's offer.
- (2) The overall evaluated cost or price and technical rating of the successful and the debriefed offeror and past performance information on the debriefed offeror.
- (3) The overall ranking of all offerors, when any ranking was developed by the agency during source selection.
- (4) A summary of the rationale for award;
- (5) For acquisitions of commercial products, the make and model of the product to be delivered by the successful offeror.
- (6) Reasonable responses to relevant questions posed by the debriefed offeror as to whether source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the agency.

Evaluation - Commercial Products and Commercial Services

FAR Clauses Incorporated by Full Text

52.212-2 Evaluation-Commercial Products and Commercial Services.

(Nov 2021)

This Request for Quote ("RFQ") solicitation is issued under the authority of FAR Part 12 - Acquisition of Commercial Items in conjunction with the policies and procedures for solicitation, evaluation, and award prescribed in FAR Part 13, as authorized for commercial services in FAR Subpart 13.5 [Federal Acquisition Circular (FAC) 2025-06]. The Government anticipates a single-award IDIQ contract resulting from this solicitation to the responsible Quoter whose quote, conforming to the solicitation, represents the best value and will be most advantageous to the Government, price and other non-price factors considered. The Government may award to other than the lowest priced quoter or other than the highest rated quoter for non-price factors and intends to make an award without allowing quoters to revise their quotes after initial submission. If the Contracting Officer decides to allow any changes to be made to quotations after the offer/quotation due date, the Contracting Officer may limit, at their discretion, this opportunity to only those quoters determined to be the most competitive in terms of price and non-price factors. If accomplished, these most competitive quoters will be given a listing of all identified areas for improvement along with an equal amount of time to submit their revised quotes.

Factor 1: Technical Capability

The Government will evaluate the extent to which the quoter's capability statement, addressing each of the categories listed under Addendum to 52.212-1, "Volume II - Technical Capability," demonstrates their company's ability to perform the required work, as compared to other quotations. An individual rating or score will not be assigned for this factor.

Factor 2: Past Performance

The Government will evaluate the quoter's recent and relevant Past Performance to determine the likelihood of satisfactory performance of the solicitation's requirements as compared to other quoters. An individual rating or score will not be assigned for this factor. The Government reserves the right to consider Past Performance Information (PPI) provided by quoters and information obtained by the Government from any other sources so long as the PPI is both recent and relevant. PPI is recent if performed or completed within three years of the RFQ's issuance date. PPI is considered relevant if the nature of the work involved the packing, movement/transport, or storage of personal property. Personal Property, for evaluation purposes, means movable and tangible assets such as furniture, clothing, electronics, and equipment.

If the past performance reference/contract was performed by a parent, affiliate, or subsidiary company, the quoter must specify how that entity will be involved in performance of this effort (personnel or resources from that entity which will be assigned to assist in performance of this effort) in order for such past performance to be considered and evaluated under this factor.

Factor 3: Price

The total price will be evaluated for fair and reasonableness in accordance with FAR 13.106-3(a). The total price will be calculated by adding the total prices for all ELINs at the estimated quantities for all five ordering years. The government will multiply the estimated quantity of each ELIN by the quoted unit price for all ordering years and sum the totals. This method ensures all quotes are evaluated fairly and in the same manner.

FAR Clause 52.217-8 will be evaluated by dividing the total estimated price of Ordering Year V by 2 to represent 6 months of performance with the assumption this clause, if exercised, will be exercised after Ordering Year V for a total of 6 months and at the same pricing as is currently in effect under Ordering Year V. This price will then be added to the total estimated price of the five ordering years. Evaluation of this option does not obligate the government to exercise it.

These factors are not listed in order of importance, the Government is not assigning any relative weight or importance for any factor, and no sub-factors are being used. The Government will conduct comparative evaluations of quotes authorized at FAR 13.106-2(b)(3) using the evaluation process described below.

Step 1

Upon reaching the solicitation close date (quote due date), the Government will review all timely quotes received for compliance with the solicitation. Each quote will be evaluated to determine whether: all items listed in Addendum to 52.212-1, Instructions to Offerors /Quoters, Volumes II through IV have been received for all 3 factors; all required documents and information in Addendum to 52.212-1 Instructions to Offerors, Volume I, Elements 1-4, have been submitted; proof of active SAM registration has been submitted in accordance with the Addendum to 52.212-1 Instructions to Offerors, Volume V; and the quote complies with the solicitation's required formatting and submission instructions. Quotes will be evaluated on an Acceptable/Unacceptable basis (i.e., Pass/Fail). Quotes who fail to receive an Acceptable rating may be eliminated from further consideration and not be further evaluated.

The following shall be provided:

- Warehouse(s) information, related space available and physical address as required per Volume I, Element .1
- Technical Certifications: DD Form 1811 and DD Form 1812. Quoters that already have a Government approved DD1811 and DD1812 shall submit a copy of their approved forms with the quote. Quoters that do not have an approved DD1811 and DD1812 shall acknowledge that they understand that a facility inspection must be scheduled within one week of being contacted by the Government for inspection or the requested date provided by the Government if it is beyond the 1 week window.
- Chamber of Commerce Certification (Visura Camerale).
- Documento Unico Regolarita' Contributiva (DURC).
- Evidence of valid Italian Cargo Transportation and Forwarder Business Permissions.
- Technical capability statement that is within the 10-page limit.
- Completed SF1449 block 17a, on page 1 of the RFQ.
- Acknowledgement of solicitation amendments (if any).
- Completed Pricing for each CLIN on page 3 of the solicitation with all prices in Euros.
- Completed Exhibit A "Bundle Pricing" attachment with all required unit prices in Euros.
- A proof of the active SAM registration or annotate the "Unique Entity Identifier" that identifies the Offeror in SAM.

The above documents will be evaluated acceptable if they comply with the Addendum to 52.212-1, Instructions to Quoters, Volume I through V

Step 2

All quotes who receive an Acceptable rating during Step 1 will then be comparatively evaluated in accordance with Factors 1 through 3 as described above in the evaluation factor descriptions. For each comparison, the Government will document similarities and differences in the quotes and identify the areas which add value to the Government and those that do not add value. The Government will finish each comparative evaluation by determining which of the quotes is more beneficial to the Government, considering all 3 factors. Upon completion of all comparisons, the Government will document its best value award decision and summarize its findings for each comparison in its award decision document.

For illustrative purposes, should 3 quotes be rated acceptable on Step 1 (Quoters A, B, and C), the Government will begin by comparing Quoter A to Quoter B by documenting the similarities and differences and identifying those areas that have value to the government and those that do not. The Government will then determine which of the two quotes is most advantageous to the Government after considering all 3 factors and then proceed to compare Quoter A to Quoter C followed by comparing Quoter B to Quoter C. Upon completion of all 3 comparisons, the Government will document its best value award decision and summarize its findings for each comparison in its award decision document.

Prior to awarding the contract, the Government will contact the apparent awardee to schedule and complete the facility inspection if they do not already have an approved DD Form 1811 and DD Form 1812. Should the apparent awardee fail the inspection, the Government may proceed to the next quoter in line for award OR may provide the quoter with a reasonable amount of time to correct and pass a re-inspection so long as the correction time will not cause unacceptable delay to the Government.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

52.229-11 Tax on Certain Foreign Procurements-Notice and Representation. (Jun 2020)

TAX ON CERTAIN FOREIGN PROCUREMENTS-NOTICE AND REPRESENTATION (JUN 2020)

(a) *Definitions.* As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and
- (5) Any trust if-
 - (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
 - (ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

- (1) It ☐ is ☐ is not a foreign person; and
- (2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

- (1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and
- (2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.
- (f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.
