- Incomplete quotes will be considered nonresponsive.

- Lack of registration in the SAM database will make an offeror ineligible for award. The Contractor is required to confirm on an annual basis that its information in the SAM database is accurate and complete at <https://www.sam.gov/>. (IAW FAR 52.232-33 Payment by Electronic Funds Transfer- System Award Management, Oct 2018)

EVALUATION CRITERIA:

Evaluation of quotations will be completed in accordance with FAR 13.106-2. The Government will award the contract resulting from this solicitation to the responsible offeror whose offer conforms to the solicitation and represents the best value to the Government.

EVALUATION FACTORS:

1) Technical

Offerors shall provide a comprehensive Statement of Work (SOW) that clearly defines the contractor's approach to planning, controlling and executing this contract in accordance with Attachment 1 – Statement of Work. The contractors SOW shall be evaluated by the United States Government (USG) for a judgmental determination based on the submitted proposal's conformance to the solicitation and SOW requirements on an acceptable or unacceptable basis.

Technical Acceptable/Unacceptable Rating Method	
Adjectival Rating	Description
Acceptable	Proposal meets the requirements of this solicitation and Attachment 1: Statement of Work.

35th Contracting Squadron USAF
Misawa Air Base, Japan
Pre-solicitation notice No. FA520526QB043, Misawa Softball Fields

Unacceptable	Proposal does not meet the requirements of this solicitation and Attachment 1: Statement of Work.
--------------	---

2) Price

The government will rank all technically acceptable offers by price from lowest to highest and will evaluate price reasonableness. Each offeror's separately priced line items shall be analyzed.
