Amendment 2

Contractor Question and Answers

1. There is a price request for a 40 yard roll off dumped around 6 x per year. Is the reason to minimize traffic in and out of the cemetery to help maintain dignity decorum? I Just wanted to know if an option of doing a 15-yard dumped on a more frequent schedule would be an option if it helps save money?

Answer: The main reason the cemetery gets the 40-yard dumpster is to put headstones in there. There is no objection to the smaller one as long as the cemetery can put the headstones in it.

2. Could you please advise who the current incumbent contractor is for this requirement?

Answer: There is no current incumbent. There is currently no contract in place. There is monthly pick-up via purchase card.
