**Little Creek Campground D-B, UT
140L0626R0005 | Sources Sought Notice**

Purpose: This is a Sources Sought Notice for the purpose of conducting market research, to gain knowledge regarding the type of interested businesses and their qualifications. Responses are being requested from both large and small businesses. Proposals are **NOT** being requested, nor accepted at this time. The Bureau of Land Management (BLM) will use information obtained through this notice to develop an acquisition strategy.

The government anticipates conducting a competitive acquisition for this requirement. The amount of interest or lack thereof will determine the possibility of a small business or other socio-economic small business set-aside for the solicitation. Quality of responses received will be considered when making any small business set-aside determinations for this requirement.

Not responding to this announcement does not preclude participation in any future solicitation. If a solicitation is released, it will be synopsized on [SAM.gov](https://sam.gov). It is the responsibility of the potential offerors to monitor the site for additional information pertaining to this requirement.

Cost Reimbursement: Response to this announcement is strictly voluntary; no reimbursement will be made for any costs associated with providing information in response to this announcement or any follow-up information requests.

Project Description: The subject requirement consists of all labor, materials, equipment, and supervision to design and construct new developed infrastructure at Little Creek Campground, UT. The project will address erosion, traffic circulation, sun exposure, and limited OHV/trailer parking within the existing campground. These improvements will support growing visitation, and enhance the visitor experience, improve accessibility, reduce overcrowding, and restore overall site functionality and safety. This project is located at Little Creek Campground, located on Little Creek Road approximately 3 miles West of Randolph, Utah. (LAT/LON: 41.677694°N, 111.226138°W).

North American Industry Classification System (NAICS) code: 237990 / Other Heavy and Civil Engineering Construction

Small Business Size Standard: \$45.0M

Solicitation: The BLM anticipates issuing a request for proposals in late Spring 2026.

Bonding: The BLM anticipates that bid, performance, and payment bonds will be required.

Anticipated Period of Performance: 275 calendar days after issuance of the notice to proceed.

Submittal Due Date/Time: Friday, March 20, 2026, 2pm MT.

Submission/Response Contents: Interested parties are encouraged to respond to this Sources Sought announcement by copying and pasting the link below into a web browser; then fill out the associated Microsoft form.
