

COMBINED SYNOPSIS / SOLICITATION (NON-COMPETITIVE)

Title: Transplant Post-Discharge Lodging for NCI Research Participants

- (i) This is a combined synopsis/solicitation for commercial products or commercial services prepared in accordance with part 12. This announcement constitutes the only solicitation. Offers are being requested and a separate written solicitation will not be issued.

The solicitation number is **75N98026Q00097** is issued as a insert request for quotation (RFQ).

This solicitation incorporates provisions and clauses by reference. The full text of provisions and clauses may be accessed electronically at www.acquisition.gov.

The Defense Priorities and Allocations System (DPAS) are not applicable to this requirement.

THIS IS A NON-COMPETITIVE (NOTICE OF INTENT) COMBINED SYNOPSIS SOLICITATION TO AWARD A CONTRACT OR PURCHASE ORDER WITHOUT PROVIDING FOR FULL AND OPEN COMPETITION (INCLUDING BRAND-NAME).

The Office of Mission Acquisition Solutions (OMAS), Office of Acquisition (OA), on behalf of the National Cancer Institute (NCI), intends to negotiate and award a contract without providing for full and open competition (including brand-name) to Friends of Patients at the NIH – 9000 Rockville Pike. Bldg. 10 # 7-5521. Bethesda, MD 20892 for Transplant Post-Discharge Lodging for NCI Research Participants.

This acquisition is conducted as non-competitive for a commercial product or commercial service and is conducted pursuant to FAR 12.201-1, *Simplified Procedures in accordance with 41 U.S.C. 1901.*

- (ii) This requirement is for the following services:
Patients in clinical trials that require a bone marrow transplant, who travel from around the nation and the world-at-large to receive treatment, remaining in the Bethesda, Maryland, area is best-advised for their safety during this time. In the case of bone marrow transplantation, the participant's condition due to their clinical response to required immune system conditioning can mean the timing for their transplantation is incredibly delicate and may need to be delayed for weeks or months at a time requiring their condition be managed closely.
See attachment 1. Statement of Work (SOW)
- (iii) Description of requirement:
The mission of The NCI Center for Cancer Research is to improve the lives of cancer patients by solving important, challenging and neglected problems in cancer research and patient care. The CCR is home to an extraordinary group of scientists and clinicians exploring the cutting-edge of cancer and HIV/AIDS research.

The unique clinical care needs presented by NCI transplant patients and the protocol requirement to stay locally to NIH during the 100-day post-transplant evaluation period, only one source will be solicited. The unique relationship between the Friends of Patients at the NIH, aligned with the availability of the lodging, close proximity to the NIH Clinical Center. See attachment 1. Statement of Work for reporting requirements.

- (iii) The Government anticipates award of a **firm fixed-price purchase order** for this acquisition, and the anticipated period of performance is from **04/01/2026** through **03/31/2027**.

EVALUATION

The provision of the FAR 52.212-2, Evaluation – Commercial Products and Commercial Services (DEVIATION) (RFO AUG 2025), applies to this acquisition.

(a) The Government will award a contract resulting from this solicitation to the Offeror responsible whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

- Technical Capability
- Past Performance
- Price

(b) *Options* (if applicable). The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

The following invoice instruction is included and will be incorporated in the final award:

- Agency Invoicing Instructions (Attachment 2. NIH Invoice and Payment Provisions with IPP (March 2023).
