I. INTRODUCTION

For this FOB Origin procurement, the Government will arrange for transportation and pay all associated transportation costs through the NAVSUP WSS Shipment Processing (SP) office (aka NAVSUP GLS, NAVSUP LOC or NOLSC). NAVSUP WSS will process shipments of materials from within the United States to CONUS (Continental United States)/OCONUS (Outside Continental United States) consignees with delivery terms Free On-Board (FOB) Origin.

Contractors/vendors shall complete the Naval Supply Systems Command automated Ready-to-Ship (RTS) web form by accessing the link provided below in Section II. By completing the form on line, the NAVSUP WSS at Norfolk, VA will receive an email of the shipment request immediately and will act on it as soon as possible during their normal working hours of 7:30 AM to 6:00 PM Eastern Time Monday through Friday. In response, NAVSUP WSS will provide MANDATORY USE shipping labels to the contractor/vendor. The contractor /vendor will arrange for shipment with the NAVSUP WSS designated carrier IMMEDIATELY upon receipt of the shipping labels. If the NAVSUP WSS provided shipping labels are not used, the contractor/vendor will experience delays and additional work to reconcile the transportation payment under the NAVSUP WSS tracking number and possible additional costs not covered under the contract or NAVSUP WSS Transportation. If the contractor/vendor turns an ordered vehicle away and a vehicle furnished not used charge is incurred the contractor/vendor is responsible for payment. If the contractor/vendor detains the vehicle and incurs a detention charge the contractor/vendor is responsible for payment. International small parcel shipment documents are invalid after five business days. If the vendor incurs any extra costs with the carrier outside of the CBL/GBL it is the vendors responsibility for payment. NAVSUP WSS does not accept hazardous or explosive shipments.

CONTRACTORS/VENDORS ARE NOT AUTHORIZED TO ARRANGE FOR TRANSPORTATION OR PAY TRANSPORTATION COSTS FOR SHIPMENT OF FOB ORIGIN PROCUREMENT.

II. PROCEDURES FOR CONTRACTORS TO REQUEST READY-TO-SHIP (RTS) NOTICES

When the cargo is ready for shipment, the contractor/vendor will submit their shipping request to NAVSUP WSS using the following procedures: Click on the link at [https://mynavsup-public.nag.navy.mil/public/ops\\$mailer.ready_to_ship_form](https://mynavsup-public.nag.navy.mil/public/ops$mailer.ready_to_ship_form) to open the NAVSUP WSS RTS Web Form. The contractor/vendor is required to fill in all data fields marked with a red asterisk under the headings "Vendor Information" and "Package Information." The fields not marked with a red asterisk and the heading "Additional Notes" are optional fields to be filled in at the contractor's/vendor's discretion. Click on the blue question mark at the right of each data field to access "On-line Data Element Help" which explains the data required in that field. If shipping labels are being requested for multiple packages, enter the data for the first package under "Package Information" then click the "Store Pkg Info" button. NOTE: Vendors are responsible for ensuring all cargo tendered to an Air Mobility Command (AMC) is packed, marked, labeled, and documented in accordance with the DTR 4500.9-R, Part II. It's extremely important to follow DTR and AMC process. If the sheet metal is not properly unitized and secured, the AMC can reject the shipment and the vendor will be responsible for all additional charges incurred. A Supply Discrepancy Report (SDR) against the vendor for non-compliant unitization may be submitted. Submitted SDRs will generate a report in the Supplier Performance Risk System (SPRS) impacting the vendor's future acquisitions. NFM may request a picture of the material packaged to ensure compliance prior to issuing labels.
