

This Notice of Intent is provided to advise that the Government intends to solicit and negotiate a Sole Source, Firm-Fixed-Priced Delivery Order with only one source, MGC Diagnostics Corporation/Medical Graphics Corporation. The procurement is for the Pulmonary Function Test (PFT) System.

This contract action is for supplies for which the Government intends to solicit and negotiate with only one source under the authority of FAR 8.405-6(a)(1)(B), only one will meet the Government's needs. Only one source is capable of responding due to the unique or specialized nature of the supplies and/or services. Interested persons may identify their interest and capability to respond to the requirement.

The North American Industrial Classification System (NAICS) code for this procurement is 334510 Respiratory analysis equipment, electromedical, manufacturing, with a small business size standard of 1,250 employees. The Product and Service Code (PSC) is 6515 Medical and Surgical Instruments, Equipment, and Supplies.

1. SCHEDULE OF PROPOSED CLIN.
