

The Naval Supply Systems Command (NAVSUP) Fleet Logistics Center (FLC) Norfolk Contracting Department, Norfolk, VA 23511, intends to award a single, firm-fixed-price (FFP), indefinite-delivery, indefinite-quantity (IDIQ) type contract for test and evaluation services in support of Operational Test and Evaluation Force (OPTEVFOR) Division 01B Test and Design. The Government will solicit and award using the policies and procedures of FAR Part 12, Acquisition of Commercial Products and Commercial Services; FAR Part 15, Contracting by Negotiation; FAR Subpart 16.5, Indefinite-Delivery Contracts; and FAR Subpart 19.5 Small Business Total Set-Asides.

Services will commence on/around 16 May 2026 and continue through 15 May 2031 for the five-year basic ordering period.

A request for information (RFI)/sources sought notice associated with this solicitation was posted to identify interested sources and to obtain feedback on a draft Performance Work Statement. As a result of information obtained from responses to the RFI/sources sought notice, this requirement will be solicited competitively as a 100% small business set-aside. The activity's small business office concurs with this determination.

The NAICS code applicable to this procurement is 541330. The size standard is \$25,500,000.00. The Product Service Code is R405. The anticipated award date is no later than 16 May 2026.

This requirement is in support of the OPTEVFOR Test & Design Division 01B, the Navy's Operation Test (OT) Activity (OTA), providing credible, prompt, warfighting focused test results to the operational and acquisition communities of the Navy, Marine Corps, and Coast Guard.

The contractor shall provide technical and analytical support to Operational Test and Evaluation (T&E) Force (OPTEVFOR) Technical Point of Contact (TPOC), the Test Design Division (O1B). The contractor will facilitate processes, aid in production, train personnel, and collaborate with stakeholders.

The primary place of performance is Norfolk, VA. However, performance may also be required in numerous locations within and outside the continental United States.

All responsible sources may submit a proposal that will be considered by the Government. By submitting a proposal, the offeror will be self-certifying that neither the principal corporate officials nor owners are currently suspended, debarred, or otherwise ineligible to receive contracts from any federal agency. Failure to do so may represent grounds for refusing to accept the proposal.
