Current State of Food Services

Summary of Program

Current State

- Regional Garrison Food Service Contract (RGFSC) III is the current iteration of an enterprise contract solution to deliver food services to our Marines throughout Marine Corps Continental United States (CONUS) bases and stations.
- There are two Fixed-Price with Incentive & Award Fee provision contracts that support the East and West Coasts, respectively.
- There are 48 Mess Halls under contract (28 East Coast & 20 West Coast) serving approximately 22 million meals annually.

Summary of Program (cont.)

Current State

- There are two mess hall categories; 44 Full Food Service (FFS) buildings and four Management and Mess Attendant (M&MA) buildings.
- M&MA facilities are augmented with Food Service Specialist Marines to perform mainline and baker menu items. This provides a training platform for Marine Corps Food Service Specialists.
- There are 17 mess halls with services set aside on the Procurement List by the Committee for Purchase from People Who Are Blind or Severely Disabled under the authority of the Javits-Wagner-O'Day Act (JWOD). The labor categories include Mess Attendant and Cashier services.

AbilityOne Program Mission

Mission

To tap America's underutilized workforce of individuals who are blind or have significant disabilities to deliver high quality, mission-essential products and services to Federal agencies in quality employment opportunities.

Vision

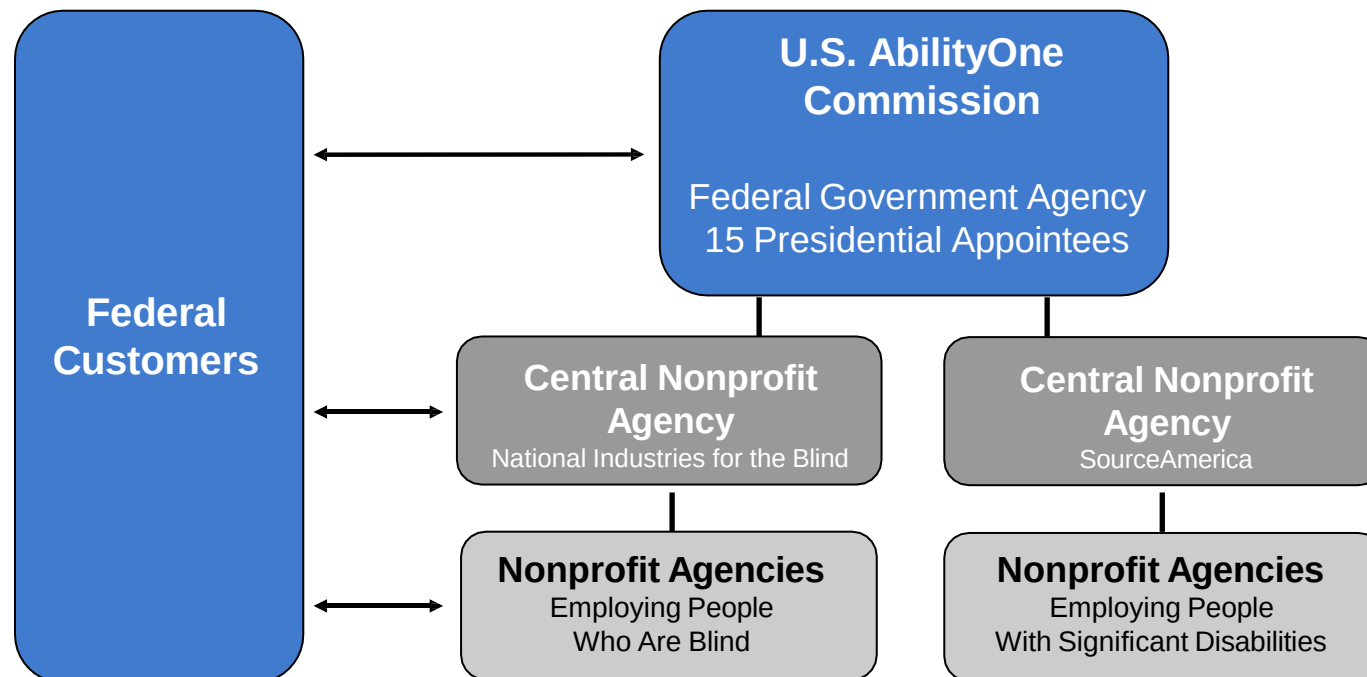

Remain a trusted source of supply and services for Federal agencies while creating quality employment opportunities across all economic sectors for people who are blind or have significant disabilities.

Basics

- The AbilityOne® Program is administered by the U.S. AbilityOne Commission®
- The AbilityOne Commission is the operating name for the independent federal agency: Committee for Purchase From People Who Are Blind or Severely Disabled
- Assisted by two central nonprofit agencies (CNAs): National Industries for the Blind (NIB) and SourceAmerica®
- In accordance with Javits-Wagner-O'Day Act (JWOD)
- CNAs oversee nonprofit agencies (NPA) that provide the products and services

OFFICE OF FEDERAL
PROCUREMENT POLICY

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

October 30, 2020

MEMORANDUM TO CHIEF ACQUISITION OFFICERS
SENIOR PROCUREMENT EXECUTIVES

FROM: Michael E. Wooten
Administrator

A handwritten signature in black ink, appearing to read "M. E. Wooten", is placed over the printed name and title of the sender.

SUBJECT: Increasing the Participation of Americans with Disabilities in Federal Contracting

This Administration has repeatedly acknowledged the contributions of Americans with disabilities to our country's economic strength and is committed to furthering their participation in the workforce. The purpose of this memorandum is to create a stronger pathway for the increased participation of persons with disabilities in federal contracting through the AbilityOne Program. The memorandum also seeks to promote greater awareness and use within the federal acquisition workforce of other Federal programs that facilitate employment of persons with disabilities.

Engagement with Central Nonprofit Agencies

- Prime contractors will work with SourceAmerica for services as these locations are on the Federal Procurement List and the price is set by the U.S. AbilityOne Commission.
- Prime contractors will work with NIB to identify mandatory AbilityOne products.
- Prime contractor emails the central nonprofit agencies (CNAs) SourceAmerica and National Industries for the Blind (NIB) at primecontractor@AbilityOne.org

Introduction of Nonprofit Agencies to Prime

- SourceAmerica is a resource to the Prime Contractor and NPA to assist with program questions, process and submission of information to the U.S. AbilityOne Commission.
- SourceAmerica introduce the qualified AbilityOne nonprofit agencies (NPAs) to the Prime Contractor.
- The Prime Contractor connects with NPAs to discuss the next steps.
- The AbilityOne NPA(s) assist the Prime Contractor in developing their response/proposal for submission within the solicitation deadline.
- The Prime subcontracts directly with the NPAs.
- NIB will assist the Prime Contractor to procure AbilityOne Products.

Food Services

- Support 64 active AbilityOne contracts valued at nearly \$335 million annually
- Employs more than 3,620 FTEs – nearly 2,740 DFTEs
- AbilityOne Program has provided the federal government with high quality food service solutions for 44 years and has a long history of supporting the Department of Defense.

Data as of Q4FY2024

AbilityOne's first full-food service contract awarded in 1980 at Sheppard AFB – still operating today!

Well Versed in a Broad Range of Food-related Services

- AbilityOne network NPAs thoroughly understand the operational needs of various types of facilities.
- Staff is highly qualified in all areas of contract management and administration, including Federal Acquisition Regulations, the Service Contract Act and federal and state labor laws.
- They are experienced in complex food service environments and perform a variety of food-related services, including those in the following matrix.

Dining Attendant Services

An important aspect of food services is the custodial-related responsibilities within dining facilities that are typically performed by mess attendants.

Duties can include sweeping, mopping, scrubbing, trash removal, waxing, stripping, buffing and window washing. Other responsibilities include cleaning and sanitizing food service equipment and surfaces and performing other sanitation-related functions supporting dining facility operations, as dictated by the PWS.

Subcontracting Requirements

FAR 19.702(a)(1)(i)

In negotiated acquisitions, each solicitation of offers to perform a contract that is expected to exceed \$750,000 (\$1.5 million for construction) and that has subcontracting possibilities, shall require the apparently successful offeror to submit an acceptable subcontracting plan.

FAR Clause 52.219-9

The Offeror, upon request by the Contracting Officer, shall submit and negotiate a subcontracting plan, where applicable, that separately addresses subcontracting with small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns. If the Offeror is submitting an individual subcontracting plan, the plan must separately address subcontracting with small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns, with a separate part for the basic contract and separate parts for each option (if any).

DFARS 215.304

In acquisitions that require use of the clause at FAR 52.219-9, Small Business Subcontracting Plan, other than those based on the lowest price technically acceptable source selection process (see FAR 15.101-2), the extent of participation of small businesses to include service-disabled veteran-owned small business concerns, HUBZone small business concerns, small disadvantaged business concerns, and women-owned small business concerns in performance of the contract shall be addressed in source selection. The contracting officer shall evaluate the extent to which offerors identify and commit to small business performance of the contract, whether as a joint venture, teaming arrangement, or subcontractor.
