

SUBJECT: Acquisition Strategy and Milestone Updates for HTC711-26-Q-E-125, Senior Information Security Officer (SISO)

This is not an official solicitation, and the Government is not requesting nor accepting proposals at this time.

1. Acquisition Strategy and Evaluation Approach:

This requirement will be solicited as a small business set-aside under the Defense Logistics Agency J6 Enterprise Technology Services 2.0 vehicle. The North American Industry Classification System code is 541519, Other Computer Related Services. It is the Government's intention to award a Firm Fixed Price task order with a Time and Material Contract Line Item for travel. A task order will be awarded to one contractor who demonstrated the ability to successfully provide support for the SISO requirement for the Transcom J6 directorate at Scott AFB, IL. This will be a subjective best value tradeoff acquisition and evaluations will be conducted in accordance with Federal Acquisition Regulation 16.505. The Government will utilize a phased approach for the evaluation.

2. Projected Key Milestone Dates

Issue Solicitation: May 1, 2026

Proposals Due for Phase I: June 1, 2026

Proposed Award Date: August 28, 2026

3. Draft Evaluation Criteria

The following evaluation criteria are provided in draft form for informational purposes only. These criteria are preliminary and subject to change; they should not be considered final. The Government is not soliciting feedback or quotations in response to this information at this time. Additional details will be made available in the final Request for Quotation.
