1.0 RFI

1.1 Introduction:

The U.S. Coast Guard (USCG) is requesting industry feedback on the attached Draft Performance Work Statement (PWS) is also conducting market research to identify capable and interested sources.

1.2 Actions:

1. Review this document and the referenced attachment in full.
2. Complete the Survey provided entitled “Vendor USCG UTILITY CARTS MAINTENANCE RFI Survey Response”. An editable survey template (Attachment 1) is provided as a separate document to this RFI.
3. Provide an OPTIONAL Capability Statement, Advice, and Considerations response. (**DO NOT** submit marketing brochures and/or generic company literature as this documentation will not be reviewed)

1.3 General Information:

This Request for Information (RFI) is issued solely for information and planning purposes - it does **not** constitute an invitation for bid, request for quotation, request for proposal, or an obligation on behalf of the Government or a promise to issue a solicitation in the future. The Government is **not** seeking proposals and will **not** accept unsolicited proposals at this time. Vendors responding to this notice are advised that the U.S. Government will not pay for any information, or administrative costs incurred in response to this RFI; all costs associated with responding to this notice will be solely at the interested party's expense. Not responding to this notice does not preclude participation in any future solicitation, if issued. Interested parties are responsible for CLEARLY MARKING proprietary or competition-sensitive

information contained in their response. No classified, confidential, or sensitive information should be included in your response. Please be advised that all submissions become Government property and will not be returned. Marketing brochures and/or generic company literature will not be considered or reviewed and should not be sent in response to this notice.

1.4 RFI Purpose

The goal of this RFI is to gather industry input on the draft PWS, assess the availability of qualified sources, and obtain information that will help the government refine its requirements and acquisition strategy.

The results of the RFI will allow the government to:

1. Obtain industry experience, best practices, recommendations, and lessons learned from the vendor community.
2. Better understand potential commercial solutions available to meet USCG's needs.
3. Assist the Government in drafting informed requirements documents.
4. Assist the Government in developing an acquisition strategy.
5. Vendors should provide basic information regarding their experiences and capabilities and an indication of how they would approach working with USCG to achieve its objectives.

1.5 Submission Instructions

If you are interested in participating in this market research activity, you are requested to review this announcement and provide the requested information. The Government is very interested in industries' feedback and encourages industry to provide specifics and details of additional information that may be required to improve and incorporate into documentation currently under development. systems goals and objectives.

To provide an acceptable response to this RFI, respondents are requested to submit the following documents:

1. Complete the attached "Vendor USCG UTILITY CARTS MAINTENANCE RFI Survey Response" using no smaller than 11-point font to complete the form. An editable survey template (Attachment 1) is provided as a separate document to this RFI. **Ten (10) Page limitation.**
2. **(OPTIONAL) Provide a Capability Statement, Advice, and Considerations** response – This vendor prepared document will provide additional vendor information and feedback to include specifics and details of information that may be required to improve the future solicitation to include documentation, best practices, recommendations, time frames required to respond, period of performance, and lessons learned from performance on similar efforts. Vendors must identify any proprietary information submitted in response to this RFI. The proprietary information must be clearly marked as proprietary. The government will not treat any other information as proprietary. This response is limited to 10 pages with no smaller than 11-point font.

The Government reserves the right to contact, or not contact, any party responding to this notice in order to obtain further information for market research purposes. The government will not notify respondents of the results of the information received and will not return submittals to the sender.

All interested sources must respond to any potential future solicitation announcements separately from responses to this RFI.

Interested sources that believe they have the ability to provide the solution and perform the services listed herein should submit the information requested electronically via email to Carrita King at Carrita.L.King@uscg.mil and Deion Turner at Deion.M.Turner@uscg.mil. Please reference RFI # USCG70Z07926WFD USCG UTILITY CARTS MAINTENANCE in the email subject line. No telephone, mail, or fax responses will be accepted. Inquiries for additional information and/or a request for a meeting to discuss this RFI will not be accepted. **Responses must be received by 11:00 AM Eastern Time on 05/08/2026.** No extension in the response date will be granted. Please be advised that it is the responders' responsibility to ensure the Government receives your RFI submission on or before the specified due date.
